PUBLIC HIGHWAY—SHIRE OF WINCHELSEA

PROCLAMATION

By His Excellency the Governor of the State of Victoria and its Dependencies in the Commonwealth of Australia, &c., &c., &c.

Whereas by the *Local Government Act 1958*, section 519 it is amongst other things enacted that it shall be lawful for the Governor in Council at any time and from time to time upon the request of the Council of any municipality by notice in the *Government Gazette* to proclaim any land reserved used or by purchase or exchange acquired for a street, road, highway, thoroughfare, bridge, square, court, alley, or right-of-way or any street, road, lane or passage made or laid out or proposed to be made or laid out on any land of which a plan of subdivision delineating that street, road, lane or passage has been sealed with the seal of the municipality under subdivision (3) of Division 9 of Part XIX. of the *Local Government Act 1958* or a corresponding previous enactment to be a public highway and that land shall thereupon and thenceforth from the date of such proclamation become and be absolutely dedicated to the public as a public highway within the meaning of any law then or thereafter in force.

And whereas the Council of the Shire of Winchelsea has requested that the land hereinafter mentioned being a street, road, lane or passage made or laid out on land of which a plan of subdivision delineating the street, road, lane or passage has been sealed with the seal of the municipality under subdivision (3) of Division 9 of

Part XIX. of the *Local Government Act 1958*, or a corresponding previous enactment be so declared to be a public highway.

Now therefore, I, the Governor of the State of Victoria, in the Commonwealth of Australia by and with the advice of the Executive Council of the said State, do by this proclamation declare that Price Road coloured brown on Plan of Subdivision No. 58424 shall be a public highway within the meaning of the said Act.

Given under my Hand and the Seal of the State of Victoria aforesaid, at Melbourne, this eighteenth day of December in the year of our Lord One thousand nine hundred and seventy-nine, and in the twenty-eighth year of the reign of Her Majesty Queen Elizabeth II.

Pipelines Act 1967

NOTICE OF VARIATION OF CONDITIONS OF A PIPELINE LICENCE

Whereas sub-section (3) of section 30 of the *Pipelines Act 1967* provides that the Minister may by notice published in the *Government Gazette* amend vary add to or revoke any conditions stated or included in a licence, I, James Charles Murray Balfour, Minister for Minerals and Energy, do now hereby vary the conditions of Pipeline Licence No. 18 in the manner indicated in the Schedule hereto:—

SCHEDULE

1. Replace the first paragraph of Condition I. (A) with the following—

(A) *Design*

"The pipeline shall be operated in accordance with the requirements of the Australian Standard 1697-1979: SAA Gas Pipeline Code."

2. Delete first three lines in Condition I. (B) and substitute—

"Except as hereinafter provided in Condition II. (C) the materials used in the pipeline shall conform to the following specifications—"

3. Replace Condition II. (D) with the following—

(D) *Maintenance and Routine Test Procedures*

The pipeline shall be maintained in accordance with section 8 of the Australian Standard 1697-1979: SAA Gas Pipeline Code to the extent that this standard is not inconsistent with the following:—

(i) *Corrosion Control*

Subject to compliance with the State Electricity Commission Cathodic Protection Regulations 1970, the licensee shall—

- (a) carry out a monthly check of the transformer and rectifier units of any impressed current systems that may be installed to ensure they are operating satisfactorily. A log of such checks, giving details of amperage output and meter readings shall be maintained by the licensee;
- (b) at intervals not exceeding six months conduct corrosion surveys of the pipeline including tests for stray current, electrolysis. Measuring instruments approved for the purpose by the Chief Electrical

Inspector, State Electricity Commission of Victoria shall be used for these surveys which shall be carried out only after the licensee has used his best endeavours to ensure that no abnormal condition exists which is likely to affect the validity of the results;

- (c) submit a summary of the results of these surveys annually to the said Chief Electrical Inspector for advice on action to be taken to maintain the cathodic nature of the pipeline so that corrosion is limited, and shall take all reasonable steps to give effect to the advice received;
- (d) submit to the Director, Oil and Gas Division of the Department of Minerals and Energy an annual report outlining the results of the corrosion surveys, the recommendations made by the Chief Electrical Inspector and the details of the resulting action taken by the licensee.

(ii) *Pipeline Markers and Signs*

The licensee shall check the signs required by the Pipelines (Construction and Operation) Regulations 1971 at intervals not exceeding three months and shall where necessary forthwith replace, repair and repaint the same.

(iii) *Patrol of Pipeline*

The licensee shall cause the pipeline to be patrolled on a regular working day basis in accordance with the procedure laid down in Rule 8.7.9.1. of the Australian Standard 1697-1979 and shall on demand produce to the Director, Oil and Gas Division of the Department of Minerals and Energy a written report on the results of such patrolling.

4. Replace Condition II. (C) with the following—

(C) *Alterations to Pipeline*

Except in the case of emergencies, the licensee shall not effect any repairs or make any additions or alterations to the pipeline without the prior approval in writing of the Director, Oil and Gas Division of the Department of Minerals and Energy.

The meter or meters measuring the supply of water to any land or tenements shall be read as near as practicable to twelve months from the date that it was read previously and the quantity of water measured as having been supplied during the period between any two successive such readings (hereinafter called "the meter year") shall be the basis of calculating of charges payable under this By-Law provided always that where a meter has been installed on any land or tenement during the course of a meter year the quantity of water measured as having been supplied during the period between the date of such installation and the date of the reading shall be the basis of calculating such charges.
2. Subject as is hereinafter provided in respect of any land or tenement rated by the Trust:—
 - (a) The maximum quantity of water to be supplied in any meter year without further charge is hereby fixed at a quantity which if charged at 20 cents per kilolitre for the first 550 kilolitres and at 30 cents per kilolitre for every kilolitre supplied thereafter, for any meter year would give an amount equal to the amount of the rate payable in respect of the land or tenement for the financial year in which the said meter year ended.
 - (b) For all water supplied in any meter year in excess of the maximum quantity referred to in paragraph (a) of this clause the charge is hereby fixed at 30 cents per kilolitre.
3. The minimum charge for water supplied by measure to any property not rated by the Trust is hereby fixed at One Hundred and Ten Dollars.
4. The charge for water supplied by Agreement is hereby fixed at 20 cents per kilolitre for the first 550 kilolitres, and at 30 cents per kilolitre for every kilolitre supplied thereafter, and the minimum annual charge for water so supplied shall be One hundred and ten dollars.
5. The aforesaid charge shall be payable within twenty-one days of demand upon the owner or occupier at the office of the Trust.
6. Water supplied by the Trust is in all cases subject to the right of the Trust by notice to prohibit or restrict the use of the same for all purposes (other than domestic purposes) from time to time as may be fixed by the Trust and stated in such notice, and such notice shall cease to have effect at such time the Trust from time to time directs by notice so published. Such notice may be given by printed posters placed in a prominent position within the Trust District or by advertisement in some newspaper circulating in such District.
