VICTORIAN DAIRY INDUSTRY AUTHORITY ACT AND MILK BOARD ACT

At the Executive Council Chamber, Melbourne the fifteenth day of April, 1980

PRESENT:

His Excellency the Governor of Victoria
Mr. Crozier | Mr Balfour

In pursuance of the powers conferred by the *Victorian Dairy Industry Authority Act 1977* and the *Milk Board Act 1958* and all other powers enabling him in that behalf, His Excellency the Governor of Victoria, by and with the advice of the Executive Council thereof, doth hereby revoke as from 1 May 1980 the determination of milk prices published in the *Victoria Government Gazette*, No. 92, 7 November 1979 and No. 12, 6 February 1980, and doth hereby approve of the following determination of milk prices by the Victorian Dairy Industry Authority to take effect from 1 May 1980.

DETERMINATION

PART 1

PRICES PAYABLE FOR SALES OF MILK

The prices payable for sales of milk and milk products in all milk districts other than the Border Milk District, and other than sales at Public Venues, shall be as shown in Schedule 1. The prices payable for sales of packaged milk in the Border Milk District, other than sales at Public Venues, shall be as shown in Schedule 2.

The prices payable for milk and milk products in the package types as shown in column 1 of schedules 1 and 2 shall be as indicated in the appropriate columns according to the category of sale.

The categories of sale are defined as:

1. Inter-processor sales are those from a processor to another processor.
2. Wholesale sales are those from a processor to a delivery dairyman.
3. Semi-wholesale sales are those from a dairyman to a milk shop, house-trade dairy, or other approved person.
4. Charitable Institution sales are sales by a dairyman to a Charitable Institution or benevolent society which is registered under the Hospitals and Charities Act and is subsidised by the Health Commission of Victoria for maintenance purposes.
5. Vendor Sales are those by dairymen to milk vendors who do not operate licensed dairy premises. This category of sale applies only in the Border Milk District.
6. In accordance with the Milk Board Act, "Retail" means—
 - (a) when referring to the sale or distribution of milk by a dairyman or a milk vendor—sale or distribution to a person of not more than ten litres on any one day; and
 - (b) when referring to the sale of milk from a milk shop—any sale.
7. Retail sales are sales by a milk shop, house-trade dairy, or other approved person to consumers. This category does not include sales to consumers from Automatic Vending Machines or Public Venue Sales.
8. Vending Machine Sales are those retail sales from an automatic vending machine.
9. Public Venue Sales are sales made by an individual or organisation holding a catering concession for a function, event or display at a public venue. Such sellers must have prior written approval of the Authority before public venue prices can be charged. Such approval will stipulate whether Class A or Class B public venue prices will apply. Class A and Class B prices are those charged by the dairyman to the individual or organisation holding a catering concession.
10. Ex-plant sales are those where milk is collected from the premises of the dairyman by the purchaser or his agent. Ex-plant sales require the prior written approval of the Authority. Ex-plant sales do not include sales to Licensed Milk Vendors.
11. Delivered Sales are those where milk is delivered to the premises of the purchaser by the seller or his agent.

PART 2

PRICES PAYABLE FOR MILK SUPPLIED BY MILK CONTRACT HOLDERS

The prices which shall be paid by the Authority to dairy farmers for milk supplied under contract for sale or distribution in Milk Districts shall be as follows:

(a) For milk received at the premises of Authorised Agents at the following places:

	<i>Price Cents Per Litre</i>

(b) For milk received at the premises of Authorised Agents at any other place:

	<i>Price Cents Per Litre</i>

Clause 4 (3) of the contract between the Victorian Dairy Industry Authority and dairy farmers provides that the Authority shall be entitled to deduct from the price of the milk purchased under such contract, such amount per litre as it may from time to time determine in respect of the cost incurred in transporting the said milk from the farm of the vendor to the point of sale by the Authority.

The prices prescribed in sub-paragraphs (a) and (b) above, make provisions for the cost of transport of the said milk from the premises of the Authorised Agent of the Authority to the premises of the dairymen to whom such milk is normally sold by the Authority, but from each of such prices the Authority shall be entitled to deduct such sum per litre as it may from time to time determine in respect of the cost of transport of the milk from the farm of the vendor to the premises of the Authorised Agent.

In respect of any milk, additional to its normal requirements which the Authority may purchase from a dairy farmer to meet a demand in an area other than that in which the said dairy farmer's milk is normally marketed, the Authority shall also be entitled to deduct from the appropriate price herein prescribed, such further sum per litre as it may determine in respect of any cost (in excess of that for which allowance has already been made in this determination) of transporting such milk from the premises of its Authorised Agent to the premises of the dairyman purchasing such milk.

In respect of payments for milk made by the Victorian Dairy Industry Authority to dairy farmers, the Authority shall deduct the amount prescribed as a levy on wholemilk pursuant to the provisions of the *Dairying Industry Research and Promotion Levy Act 1976* of the Commonwealth of Australia.
