PRESENT:

His Excellency the Governor of Victoria	
Mr Houghton	Mr Ramsay
Mr Austin	Mr Lieberman

Whereas the Governor of the State of Victoria, in the Commonwealth of Australia, by and with the advice of the Executive Council of the said State, hath deemed it expedient that a Commission should on 1 October 1980, issue to Francis Xavier Costigan, Q.C., in the terms set out below.

Now therefore, His Excellency the Governor of the State of Victoria, in the Commonwealth of Australia, by and with the advice of the Executive Council of the said State, by this Order, directs that a Royal Commission shall on 1 October 1980, issue constituting and appointing Francis Xavier Costigan, Q.C., to be a Commissioner to inquire whether the Federated Ship Painters and Dockers Union (hereinafter referred to as "the Union") or any officer or member of the Union in the course of or in relation to the affairs of the Union, has engaged in any illegal activities (other than activities involving only breaches of the law whether of the Commonwealth or a State relating to trade unions).

And, without restricting the scope of your inquiry, we direct you, for the purposes of your inquiry, to give particular attention to the following questions:

- (a) whether any executive, administrative or other body forming part of, or established by, the Union has been used, or is being used, for the purposes of illegal activities, other than activities involving only breaches of laws, whether of the Commonwealth or a State, relating to trade unions;

- (b) whether the Union or any of its officials or members has been or is engaged in demanding or receiving payment (other than payments of an ordinary commercial nature or payments in accordance with an industrial award or agreement in respect of work actually performed or to be performed) from employers or other persons and, if any such payments have been made—

- (i) the persons by whom and to whom any such payments have been made;
- (ii) the reasons for, or the purpose of, any such payments;
- (iii) the subsequent or proposed use or disposal of any such payments;

- (c) whether the Union or any officers or members of the Union have engaged in illegal activities in relation to the election or appointment of officers of the Union or the conduct or purported conduct of the Union's affairs;

- (d) if the Union or any officers or members of the Union have engaged in activities of any of the kinds referred to in this or the preceding paragraph, whether the employment conditions applying to the work of ship painters and dockers have contributed to the development of those activities.

And We direct you to make such recommendations arising out of your inquiry as you think appropriate, including recommendations regarding the legislative or administrative changes, if any, that are necessary or desirable.

And We further direct that any finding that the Union or any officer or member of the Union has engaged in conduct amounting to a criminal offence be made only on evidence, admissible in a Court of Law, sufficient to place the Union, officer, or member on trial for that offence.

And We further direct that, in making your recommendations, you have regard to the announced intention of the Government of the Commonwealth to introduce a system of reporting of demands for, and payments of, monies following the report of the Royal Commission into Alleged Payments to Maritime Unions by the Honourable Mr Justice Sweeney.

And We do by these presents give and grant unto you full power and authority to call before you such person or persons as you shall judge likely to afford you any information upon the subject of this Our Commission, and to inquire of and concerning the premises by all other lawful ways and means whatsoever.

And We declare that you are authorized to conduct your inquiry into the matters mentioned aforesaid under these our Letters Patent in combination with any inquiry into the matters that you are directed or authorized to make by any Commission or Commissions issued, or in pursuance of any Order or appointment made, by the Governor-General of the Commonwealth of Australia or the Governor of any State of the Commonwealth of Australia.

And We will and command that this Our Commission shall continue in full force and virtue and that you shall and may from time to time and at any place or places proceed in the execution thereof, and of every matter and thing therein contained although the same be not continued from time to time by adjournment.

VICTORIAN DAIRY INDUSTRY AUTHORITY ACT
AND MILK BOARD ACT

At the Executive Council Chamber, Melbourne, the
ninth day of September, 1980

PRESENT:

His Excellency the Governor of Victoria

Mr Houghton	Mr Ramsay
Mr Austin	Mr Lieberman

In pursuance of the powers conferred by the *Victorian Dairy Industry Authority Act 1977* and the *Milk Board Act 1958* and all other powers enabling him in that behalf, His Excellency the Governor of Victoria, by and with the advice of the Executive Council thereof, doth hereby revoke as from 11 September 1980, all determinations of cream prices heretofore made pursuant to the *Victorian Dairy Industry Authority Act 1977* and the *Milk Board Act 1958* and doth hereby approve of the following determination of cream prices by the Victorian Dairy Industry Authority to take effect from 11 September 1980.

DETERMINATION

1. This determination may be cited as the "Cream Prices Determination 1980 (No. 3)".

2. For the purpose of this determination "cream" shall mean cream as defined in the Food and Drug Standards Regulations 1966.

3. For the purpose of this determination "table cream" shall mean cream used or prepared or intended to be used or prepared for human consumption as cream and "industrial cream" shall mean all other cream.

4. This determination shall apply to all milk and/or cream or other butterfat used or prepared or intended to be used or prepared as cream.

5. This determination shall be binding on every person carrying on the business of buying or selling milk or butterfat, which or part of which is to be used or may be used in the preparation of cream.

6. The principal officer or his authorized representative of each factory or authorized milk depot in the State of Victoria that receives milk from dairy farmers shall ascertain (a) the total fat content of all milk received by it from dairy farmers, and either used by it for the production of cream or supplied by it as milk to a cream processor or packager or otherwise used for the production of cream and (b) the total butterfat content of all separated butterfat supplied by it to a cream processor or packager or otherwise for use as cream or for the production of cream.

7. Such principal officer or his authorized representative shall (subject to paragraph 8 below) apportion the total butterfat thus ascertained over the total intake of butterfat in choice grade milk supplied by dairy farmers at that factory, net of the butterfat in standardized market milk despatches. The butterfat thus apportioned shall, within 30 days after the month of supply, be paid for in accordance with the prices payable to dairy farmers as set out in paragraph 12 below.

8. As an alternative to the procedure described in paragraph 7 such principal officer or his authorized representative may increase the factory/depot rate of payment each month for butterfat used for manufacturing purposes to reflect both the manufacturing payment and the determined cream prices payable as set out in paragraph 12 below. If a factory/depot adopts this alternative, the proportion of butterfat reflecting cream sales in the previous month and the rate of payment must be identified to its suppliers each month.

9. Such principal officer or his authorized representative shall ensure that payment for the solids-not-fat content of all milk used for the production of cream shall be returned to dairy farmers in accordance with normal factory/depot paying arrangements for manufacturing milk.

10. The prices payable to dairy farmers set out hereunder are minimum prices so as not to preclude a factory/depot paying to dairy farmers supplying butterfat used of intended to be used for table cream or industrial cream, any winter or other incentive payments.

11. Any claim by an authorized milk depot, factory, cream processor, cream packager or user of industrial cream for authority to pay or to charge the price or prices as set out in paragraphs 12 (b), 12 (c), 13 (b) and 13 (c) shall be accompanied by a Statutory Declaration in the form as prescribed by the Victorian Dairy Industry Authority.

PRICES PAYABLE TO DAIRY FARMERS

12. (a) The price payable to dairy farmers at the farm gate for butterfat in milk delivered to, and accepted by, an authorized milk depot or factory and used, or intended to be used, for table cream, shall be a minimum of \$2.70 per kilogram of butterfat.

(b) Subject to the conditions as prescribed by the Victorian Dairy Industry Authority, the price payable to dairy farmers at the farm gate for butterfat in milk delivered to, and accepted by, an authorized milk depot or factory and used, or intended to be used, for industrial cream shall be a minimum of \$2.34 per kilogram of butterfat.

(c) The price payable to dairy farmers at the farm gate for butterfat in milk delivered to, and accepted by, an authorized milk depot or factory and used, or intended to be used, for table cream, for sale in the Commonwealth of Australia other than within the State of Victoria shall be a minimum of \$2.44 per kilogram of butterfat.

PRICES PAYABLE TO FACTORY OR AUTHORIZED MILK DEPOT

13. (a) The price payable to a factory or authorized milk depot by cream processors and packagers for butterfat in milk and/or cream used for the production of table cream shall be a minimum of \$2.76 per kilogram of butterfat delivered.

(b) Subject to the conditions as prescribed by the Victorian Dairy Industry Authority, the price payable to a factory or authorized milk depot by users of industrial cream shall be a minimum of \$2.40 per kilogram of butterfat delivered.

(c) The price payable to a factory or authorized milk depot by cream processors and packagers for butterfat in milk and/or cream used for production of table cream for sale in the Commonwealth of Australia other than within the State of Victoria shall be a minimum of \$2.50 per kilogram of butterfat delivered.
