##### STATE OF VICTORIA—JIANGSU PROVINCE

##### SPECIAL RELATIONSHIP—JOINT BUILDING PROJECT

The Victorian Government is seeking the support of Victorian-based firms in the supply of materials and equipment suitable for a residential and light construction project in China.

The Victorian Government entered into a sister Province-State relationship with Jiangsu Province in 1979 to explore areas of mutual assistance and benefit.

Victoria will provide the design, supervision, materials, equipment and furniture and furnishings, excepting concrete, bricks, roofing tiles and external site works and services for the building project.

The project will comprise two residential buildings and one multi-purpose activity centre totalling about 900 square metres.

The Victorian Government regards this as a joint private enterprise/Government venture and expects that because of the Government's initiative export opportunities will be developed.

Materials and equipment used for this project will be carefully appraised by Public Works Department architects and engineers and by the study team which visited the site and negotiated the arrangements with the Chinese authorities. They will be chosen for their suitability for the project and their suitability to meet the climatic and technological conditions in China.

It is anticipated that materials and equipment will be donated by the manufacturers or suppliers whose products are chosen.

Interested companies are invited to register their interest in the project by submitting details of their product, relevant literature covering testing and codes together with terms and conditions governing supply and delivery to the Public Works Department Store at Port Melbourne by 28 February 1981.

Copies of the Project Proposal are available for perusal at the office of Superintendent, Project Group General, No. 7 Parliament Place, Melbourne, Victoria.

### THE "VICTORIA GOVERNMENT GAZETTE"

PUBLICATION—A VICTORIA GOVERNMENT GAZETTE is published every WEDNESDAY EVENING unless advertised otherwise.

SUBSCRIPTIONS—The Subscription, including postage, is \$62 per annum, or \$31 per half year, payable in advance. Subscriptions are required for whole months, but must cover at least a half-year.

PRIVATE ADVERTISEMENTS—Advertisements will be received by the Government Printer not later than the day preceding publication—at ordinary rates at or before ONE p.m. and at double rates between ONE p.m. and HALF PAST THREE p.m. The charge for ADVERTISEMENTS is 78 cents per line single column and \$1.56 per line double column. The charge for a full page is \$118. The title forms one or more lines as a heading. On an average ten words make a line of single column. Every signature must likewise be counted as a line. The final words of a paragraph though only portion of a line, must be counted as one line. Signatures (in particular) and proper names must be written very clearly in the text: ONE SIDE ONLY of each sheet of paper should be written upon.

All documents NOT CLEARLY PREPARED will be returned unpublished. Where brands occur, not provided for by the ordinary letters of the alphabet, a written explanatory description also must be furnished.

PAYMENTS—Unless the advertiser has a Credit Account, all payments are required in advance. Remittances should be made by cheque, postal order or money order, payable to "GOVERNMENT PRINTER".

CORRESPONDENCE—All correspondence should be addressed to "The Victorian Government Printer, P.O. Box 203, North Melbourne, 3051".
