For the purpose of making such further determination, the Commission proposes to investigate written request to the Commission from the Australian Hotels Association and the Retail Liquor Merchants' Association of Victoria to determine new minimum prices for different types, description and brands of packaged beer based on the most recent increases in wholesale prices of packaged beer produced by Carlton & United Breweries Limited and Tooth Brewery (Victoria) Pty. Ltd.

Any person may make a submission in writing to the Commission in relation to such particular proposals or as to the intention generally. Such submissions are required to be forwarded to the Secretary at the Commission's offices, 232 Victoria Parade, East Melbourne, 3002, not later than 4.00 p.m. on Friday, 27 March 1981.

Before making any determination, the Commission shall consider any submission or submissions received by it and shall give such weight thereto as it considers appropriate.

Any person or body of persons desiring to produce evidence before the Commission and be heard on the matters under investigation generally should notify the Commission in writing of such desire. Such notification is required to be forwarded to the Secretary at the Commission's offices, 232 Victoria Parade, East Melbourne, 3002, not later than 4.00 p.m. on Friday, 27 March 1981.
