VICTORIAN DAIRY INDUSTRY AUTHORITY ACT AND MILK BOARD ACT

*At the Executive Council Chamber, Melbourne, the

PRESENT:

His Excellency the Governor of Victoria

Mr Houghton
Mr Austin

Mr Granter

In pursuance of the powers conferred by the Victorian Dairy Industry Authority Act 1977 and the Milk Board Act 1958 and all other powers enabling him in that behalf, His Excellency the Governor of Victoria, by and with the advice of the Executive Council thereof, doth hereby revoke as from 1 May 1981 the Cream Prices Determination 1980 (No. 3) as published in *Victoria Government*

Gazette No. 80, dated 17 September 1980 with the exception of paragraphs 12 (c) and 13 (c) and revoke as from 1 June 1981 paragraphs 12 (c) and 13 (c) of the said determination and doth hereby approve of the following Determination of cream prices by the Victorian Dairy Industry Authority to take effect from 1 May 1981 with the exception of paragraphs 12 (c) and 13 (c) which paragraphs shall take effect from 1 June 1981.

DETERMINATION

1. This Determination may be cited as the "Cream Prices Determination 1981 (No. 1)".

2. For the purpose of this Determination "cream" shall mean cream as defined in the Food and Drug Standards Regulations 1966.

3. For the purpose of this Determination "table cream" shall mean cream used or prepared or intended to be used or prepared for human consumption as cream and "industrial cream" shall mean all other cream.

4. This Determination shall apply to all milk and/or cream or other butterfat used or prepared or intended to be used or prepared as cream.

5. This Determination shall be binding on every person carrying on the business of buying or selling milk or butterfat, which or part of which is to be used or may be used in the preparation of cream.

6. The principal officer or his authorized representative of each factory or authorized milk depot in the State of Victoria that receives milk from dairy farmers shall ascertain (a) the total fat content of all milk received by it from dairy farmers, and either used by it for the production of cream or supplied by it as milk to a cream processor or packager or otherwise and used for the production of cream and (b) the total butterfat content of all separated butterfat supplied by it to a cream processor or packager or otherwise for use as cream or for the production of cream.

7. Such principal officer or his authorized representative shall (subject to paragraph 8 below) apportion the total butterfat thus ascertained over the total intake of butterfat in choice grade milk supplied by dairy farmers at that factory, net of the butterfat in standardized market milk despatches. The butterfat thus apportioned shall, within 30 days after the month of supply, be paid for in accordance with the prices payable to dairy farmers as set out in paragraph 12 below.

8. As an alternative to the procedure described in paragraph 7 such principal officer or his authorized representative may increase the factory/depot rate of payment each month for butterfat used for manufacturing purposes to reflect both the manufacturing payment and the determined cream prices payable as set out in paragraph 12 below. If a factory/depot adopts this alternative, the proportion of butterfat reflecting cream sales in the previous month and the rate of payment must be identified to its suppliers each month.

9. Such principal officer or his authorized representative shall ensure that payment for the solids-not-fat content of all milk used for the production of cream shall be returned to dairy farmers in accordance with normal factory/depot paying arrangements for manufacturing milk.

10. The prices payable to dairy farmers set out hereunder are minimum prices so as not to preclude a factory/depot paying to dairy farmers supplying butterfat used or intended to be used for table cream or industrial cream, any winter or other incentive payments.

11. Any claim by an authorized milk depot, factory, cream processor, cream packager or user of industrial cream for authority to pay or to charge the price or prices as set out in paragraphs 12 (b), 12 (c), 13 (b) and 13 (c) shall be accompanied by a Statutory Declaration in the form as prescribed by the Victorian Dairy Industry Authority.

PRICES PAYABLE TO DAIRY FARMERS

12. (a) The price payable to dairy farmers at the farm gate for butterfat in milk delivered to, and accepted by, an authorized milk depot or factory and used, or intended to be used, for table cream, shall be a minimum of \$3.00 per kilogram of butterfat.

(b) Subject to the conditions as prescribed by the Victorian Dairy Industry Authority, the price payable to dairy farmers at the farm gate for butterfat in milk

delivered to, and accepted by, an authorized milk depot or factory and used, or intended to be used, for industrial cream shall be a minimum of \$2.74 per kilogram of butterfat.

(c) The price payable to dairy farmers at the farm gate for butterfat in milk delivered to, and accepted by, an authorized milk depot or factory and used, or intended to be used, for table cream, for sale in the Commonwealth of Australia other than within the State of Victoria shall be a minimum of \$2.70 per kilogram of butterfat.

PRICES PAYABLE TO FACTORY OR AUTHORIZED MILK DEPOT

13. (a) The price payable to a factory or authorized milk depot by cream processors and packagers for butterfat in milk and/or cream used for the production of table cream shall be a minimum of \$3.07 per kilogram of butterfat delivered.

(b) Subject to the conditions as prescribed by the Victorian Dairy Industry Authority, the price payable to a factory or authorized milk depot by users of industrial cream shall be a minimum of \$2.81 per kilogram of butterfat delivered.

(c) The price payable to a factory or authorized milk depot by cream processors and packagers for butterfat in milk and/or cream used for production of table cream for sale in the Commonwealth of Australia other than within the State of Victoria shall be a minimum of \$2.77 per kilogram of butterfat delivered.
