 NOTICE OF PROPOSED AMENDMENT
 AMENDMENT No. 130

Notice is given that under Section 32 (7) of the Town and Country Planning Act, the Minister has required the Council to give notice of and deposit for inspection by the public for a period of not less than fourteen days a proposed amendment to the Shire of Sherbrooke Planning Scheme 1965.

The amendment known as Amendment 130 proposes to delete Clause 38 (1) (d) of the Planning Scheme Ordinance which enables the Responsible Authority to permit the subdivision of land where it is satisfied by prior resolution that the grant of a permit would not prejudice the objective of orderly and proper planning of the area in which the land is situated and that special circumstances exist which warrant the grant of a permit.

In directing the advertising of this proposed amendment the Minister has advised that he does not intend that the amendment in its approved form will apply to matters which are currently before the Supreme Court of Victoria.

Any person affected by the proposed amendment may make a submission to the Minister for Planning, 500 Collins Street, Melbourne within fourteen days.

Vegetation and Vine Diseases Act 1958 (No. 6407)

DECLARING A PROCLAIMED AREA

PROCLAMATION

By His Excellency the Governor of the State of Victoria and its Dependencies in the Commonwealth of Australia, &c., &c., &c.

Whereas by Section 25 of the *Vegetation and Vine Diseases Act 1958 (No. 6407)*, it is provided that where the Governor in Council is of the opinion that it is necessary to protect the fruit industry of Victoria against the introduction or spread of the insects of the family Trypetidae (commonly known as fruit flies), he may by Proclamation declare any portion of Victoria specified therein to be a proclaimed area, and prohibit the removal from any place in the proclaimed area to any place outside that area or from any place in the proclaimed area to any other place in that area of any fruit fly or any fruit or vegetables of a kind or species which in his opinion may provide a host for fruit flies and require occupiers and owners of land in the proclaimed area to take such action for the eradication or prevention of the spread of fruit fly, as is specified in the Proclamation:

Now therefore, I, the Governor of the State of Victoria, in the Commonwealth of Australia, being of the opinion that it is necessary to protect the fruit industry of Victoria against the introduction or spread of the insects of the family Trypetidae (commonly known as fruit flies) and by and with the advice of the Executive Council of the said State, do by this my Proclamation hereby—

SUBSCRIPTIONS—The annual subscription rate, including postage, is \$72, payable in advance.

PRIVATE ADVERTISEMENTS—Advertisements will be received by the Government Printer not later than the day preceding publication—at ordinary rates at or before ONE p.m. and at double rates between ONE p.m. and HALF PAST THREE p.m. The charge for ADVERTISEMENTS is 90 cents per line single column and \$1.80 per line double column. Signatures (in particular) and proper names must be written very clearly in the text: ONE SIDE ONLY of each sheet of paper should be written upon.

All documents NOT CLEARLY PREPARED will be returned unpublished. Where brands occur, not provided for by the ordinary letters of the alphabet, a written explanatory description also must be furnished.

PAYMENTS—Unless the advertiser has a Credit Account, all payments are required in advance. Remittances should be made by cheque, postal order or money order, payable to "GOVERNMENT PRINTER".
