Social Development Committee

INQUIRY INTO PROPOSALS CONTAINED IN MEDICAL PRACTITIONERS (PRIVATE HOSPITALS) BILL

The Joint Investigatory Social Development Committee has been established by the Victorian Parliament pursuant to the Parliamentary Committees Act, 1968, with its functions being to inquire into, consider and report to the Parliament on:

- (a) any proposal, matter or thing concerned with the social development of the people of the State;
- (b) how the life of individuals, families and communities in the State may be improved; and
- (c) the role of Government in promoting the welfare of the people of the State.

A resolution has been carried by both Houses of Parliament, referring the proposals contained in the Medical Practitioners (Private Hospitals) Bill to the Committee for inquiry, consideration and report by 1 March 1983.

Subject to certain exemptions and provisions as outlined in the Bill, broadly the intent of the legislation, as currently framed, is to preclude a medical practitioner from referring a patient under his care to a private hospital in which he has a notifiable financial interest.

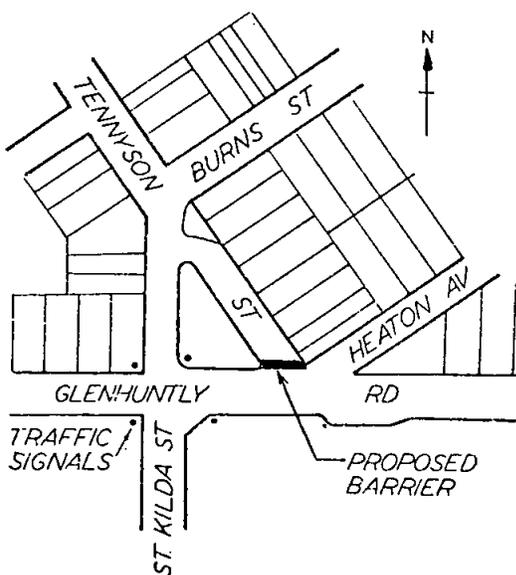

Any persons, organisations or bodies wishing to make submissions to the Inquiry or other interested parties are invited to register their interest by contacting Mr A. N. Castle, Acting Secretary, Social Development Committee, 6th floor, 168 Exhibition Street, Melbourne 3000 (tel. 669 8511/2) not later than Friday, 26 November.
