PUBLIC BODIES REVIEW COMMITTEE

FURTHER SUBMISSIONS INVITED ON MANAGEMENT ASPECTS OF IRRIGATION IN VICTORIA

In June 1981 the Public Bodies Review Committee announced its intention of commencing, as part of its general Inquiry of the water industry, an investigation into the management aspects of irrigation.

Submissions were then invited from interested persons and organizations, and public hearings were held in July 1981 on that subject. Subsequently, the Committee released for public comment a report prepared by Neilson Associates entitled "Irrigation Management in Victoria". Responses to the Neilson report were sought and received.

With the prorogation of Parliament and subsequent State Elections, the irrigation management Inquiry was placed in abeyance and only recently has the Committee indicated its intention of continuing with that Inquiry.

The Committee now invites further submissions on the subject of irrigation management from interested persons and organizations. Those wishing to make a supplementary submission or place any new material before the Committee are also invited to respond.

Written submissions must be lodged with:

The Secretary, Public Bodies Review Committee, 2nd Floor, "Treasury Gate", 1-15 Little Collins Street, Melbourne, Victoria, 3000

not later than Friday, 4 February 1983.

Upon receipt of submissions, the Committee may wish to take verbal evidence from selected organizations and individuals in mid-February and April next year, when it intends visiting some of the major Victorian irrigation areas.

Hearing and venue arrangements will be confirmed by telephone with those interested local parties from whom the Committee wishes to take evidence.
