**PUBLIC MEETING OF THE PUBLIC SERVICE BOARD TO FACILITATE A WIDER DISCUSSION OF POLICY MATTERS BEING CONSIDERED BY THE BOARD**

The decision making processes of the Public Service Board evolved at a time when the Board decided a wide range of individual transactions, many of which directly affected specific individuals. In such circumstances, it was appropriate that Board submissions and discussions were restricted to the affected position.

In recent times the Board has moved to provide for delegations to its Office and to Departments for many such transactions and has placed an increased emphasis on the development of policies and guidelines for managing the Public Service personnel system. This has provided an opportunity to strengthen and improve the Public Service personnel system by changing policies rather than by addressing individual transactions.

In order for the full potential of this development to be realised, it is important that there be debate and discussion of major policy issues coming before the Board for decision. The Board considers that this would be facilitated by arranging regular public meetings of the Board to discuss major policy issues. Policy proposals would be distributed for comment prior to each meeting. Those attending such meetings would have the opportunity to comment and raise issues on the policy options under consideration.

The following guidelines will apply to public Board meetings:

1. The Board will approve the policy issues to be considered at each meeting at least two weeks prior to the meeting.
2. To ensure that seating is available and that papers can be distributed, those wishing to attend the meeting are asked to reserve a place via the Secretary, Public Service Board (phone notifications and enquiries 651 1373).
3. The Board will distribute a discussion paper on each policy item prior to the meeting.
4. At the meeting:
  - a Board Officer will address the policy issues involved;
  - other parties with a major interest will be invited to comment; and
  - the Board will invite those attending to comment on the policy proposals and to raise relevant issues for discussion.
5. Subsequent to the meeting the Board will finalise its consideration of the policy issues involved and will publish a statement summarising its decisions or conclusions.

Public Servants wishing to attend such meetings should obtain approval for appropriate time off from their Permanent Head. Permanent Heads are asked to assist interested staff to participate in the Board's public meeting process.

The next Public Meeting on policy issues will be held at 2.00 p.m. Thursday 2 June 1983 in the Board Room, 4th Floor, 1 Treasury Place, Melbourne. The Agenda items for that meeting are:

- the introduction of a new occupational category for Clerical Officers;
- Public Service Board activities 1981/82.

Other public meetings on policy matters will be held on the first Thursday of each month and agenda items will be published in the Victorian Public Service Notices and the *Government Gazette* in all instances and, depending on the subject matter, may also be by press notification.
