The Role of the Internal Audit Function.

For the information of persons who may be interested in attending the Meeting, an outline of the matters to be considered at the Meeting is set out below. Full discussion papers will be sent to persons who notify their intention to attend.

1. The Role of the Internal Audit Function — The Public Service Board has for some time been concerned to clarify and strengthen the role of the Internal Audit Function within the Service. It has recently completed a review of the role of Internal Audit and is considering the adoption of a role statement which will cover issues such as:

encouraging a systems based rather than a transaction based approach

the independence of the Internal Audit Function

the organisation and classification structures appropriate to Internal Audit

the qualifications for entry to the field

the role of the Internal Audit Bureau within the Department of Management and Budget.

A discussion paper has been prepared which addresses these and other relevant issues.

2. Abolition of the Divisional Structure — The Board has undertaken a review of the appropriateness of abolishing or retaining the present Divisional Structure and the alternative arrangements which might be considered in the event that the current Divisional Structure is removed. A discussion paper has been prepared which examines these issues.

3. Policies and Practices Concerning the Prescription of Qualifications Within the Service — A review of the current policies and practices covering the prescription and use of qualifications in the classification and recruitment process of the Service has been undertaken. A discussion paper has been prepared which discusses the implications of these practices for the Service and which proposes new policies and procedures regarding the use and role of qualifications.

At the Meeting a Board Officer will address the policy issues involved; other parties with a major interest will be invited to comment; and, the Board will invite those attending to comment on the policy proposals and to raise relevant matters for discussion.

Subsequent to the Meeting the Board will finalise its consideration of the policy issues involved and will publish a statement summarising its decisions or conclusions.

Public Servants wishing to attend the Meeting should obtain approval for appropriate time off from their Permanent Head. Permanent Heads are asked to assist interested staff to participate in the Board's public meeting.
