PUBLIC MEETING OF PUBLIC SERVICE BOARD

The next Public Meeting to discuss policy issues will be held at 2.00 p.m. on Tuesday 13 September 1983 in the State Film Theatre, 1 MacArthur Street, Melbourne. The Agenda items for the Meeting are:

- The Points Factor System of Job Evaluation and Classification.
- Proposal to Restructure the Administrative Officer Category.

For the information of persons who may be interested in attending the Meeting, an outline of the matters to be considered at the Meeting is set out below. Full discussion papers will be sent to persons who notify their intention to attend.

1. The Points Factor System of Job Evaluation and Classification.

The Board is adopting a new system for the classification of positions in conjunction with the development of new employment categories. Called a points factor evaluation system, it has been applied extensively throughout the occupational category review program as a systematic, disciplined and quantifiable approach to the assessment of relative job worth, classification and rates of pay. The new system will be applied to all new occupational categories in the future including the Senior Executive Service, Clerical Officer structure and other new structures arising from the category review process.

The discussion paper prepared for this item describes how the new system was developed, how it can be applied to the full range of occupational categories within the Service, and how it is used to establish relativities within each employment category.

2. Proposal to Restructure the Administrative Officer Category.

The Board's occupational category review program has now reached the stage where a proposal has been prepared to restructure the current Administrative Officer category.

Essentially, the proposal is to introduce an eight level structure covering the work currently being performed by Administrative Officers Class E — A1 (2). The proposed structure would complement the new Clerical Officer structure and be subordinate to the Senior Executive Service.

A discussion paper detailing the findings of the review and the proposed new structure has been prepared for consideration at the Public Meeting. While the primary focus of the Administrative Officer review has been to design a new job classification structure and classification process, there are a number of important related issues which have also been addressed in the discussion paper. These include rates of pay, implications for recruitment and staff development, organization design problems, job design and career opportunities for administrators.

At the Meeting a Board Officer will address the policy issues involved; other parties with a major interest will be invited to comment; and the Board will invite those attending to comment on the policy proposals and to raise relevant matters for discussion.

Subsequent to the Meeting the Board will finalize its consideration of the policy issues involved and will publish a statement summarizing its decisions or conclusions.

Public Servants wishing to attend the Meeting should obtain approval for appropriate time off from their Permanent Head.

Permanent Heads are asked to assist interested staff to participate in the Board's Public Meeting.

To ensure that seating is available and that papers can be distributed, those wishing to attend are requested to reserve a place via the Secretary, Public Service Board (telephone notifications and enquiries (03) 651 1139).
