Surveyors (Registration) Regulations 1980
EXAMINATIONS 1985—FIRST SERIES

The Surveyors Board hereby gives notice that it will be conducting examinations for the issue of Certificates of Competency in Surveying and Certificates of Competency in Cadastral Surveying as follows:

Subjects of Examination

The subjects to be examined (under Regulations 14 to 20) are the Assessment Projects set out below:

“Field Practice”—the making of a survey of a route or site nominated by the Board and the preparation of appropriate records.

“Practical Levelling”—the determination of elevation of points nominated by the Board and the preparation of appropriate records.

“Professional Practice”—an oral examination concerning the responsibilities and obligations of a surveyor in respect of professional practice, legislation, and the community.

Prerequisites to Examination

Under Regulation 16 prospective examinees in any of the above Assessment Projects must, at the time of the examination:

- (a) have completed the required course of training in surveying as prescribed in Regulations 3 to 9 and have submitted to the Board a certificate or certificates of training;
- (b) have been credited with a pass in or been exempted from the Practical Projects as prescribed in Regulations 10 to 13—see below under Practical Projects; and
- (c) have lodged an application for examination as set out below under Applications for Examination.

Practical Projects

Prospective candidates for the examination in the above Assessment Projects who have not been previously credited with a pass in each of or been exempted from the Practical Projects as prescribed are required to submit to the Board for examination or re-examination any required Practical Projects at or before 12 noon on 1 February 1985.

Notwithstanding that the closing date for submission of Practical Projects is 1 February 1985, the Surveyors Board strongly urges prospective examinees to submit Practical Projects at least 8 weeks prior to that date (i.e. not later than 30 November 1985) so that they might have sufficient time to attend to any requisitions on the Projects.

Applications for Examinations

The Board will consider all applications for examination in the above Assessment Projects which have been lodged in accordance with Regulation 19 (3) at or before 12 noon on 28 February 1985.

Where a prospective examinee has not met the requirements of Regulation 17 (c) but has submitted Practical Projects (as indicated above) that person should submit an

application for examination in the above Assessment Projects in the expectation of meeting the requirements of Regulation 17 (c).

Conduct of Examinations

The examinations in “Field Practice” and “Practical Levelling” will commence at 8.00 a.m. on 18 March 1985. All candidates must contact the Board's Secretary on Friday 15 March 1985 between 9.30 a.m. and 3.30 p.m. in order to be advised of acceptance or otherwise of an application for examination and what arrangements have been made accordingly.

The examination in “Professional Practice” will commence at 9.00 a.m. on 23 April 1985. All candidates must contact the Board's Secretary on Friday 19 April 1985 between 9.30 a.m. and 3.30 p.m. in order to be advised of acceptance or otherwise of an application for examination and what arrangements have been made accordingly.

Results of Examinations

Final results of the examinations will be available on 24 April 1985. Detailed results will be posted to each candidate as soon as possible thereafter.

Enquiries

Inquiries regarding any matter concerning the examinations may be directed to the Board's Secretary (telephone (03) 651 2859 between 9.30 a.m. and 3.30 p.m., or in writing).

MOTOR CAR TRIALS OF SPEED WITHIN THE SHIRE OF MALDON

Whereas it is enacted by sub-section (2) of section eighty-three of the *Motor Car Act 1958* that, if a motor car is used on a highway for purposes of racing or of trial of speed, the

driver or the person in charge thereof shall be liable to a penalty of not more than five hundred dollars for the first offence and one thousand dollars for the second offence, provided that the said sub-section (2) shall not apply to a motor car used as aforesaid on any highway or portion thereof specified by Order in Council published in the *Government Gazette* and on such days and during such hours as are specified in the Order:

And whereas the Vintage Sports Car Club of Australia Victorian Division has requested that such an Order be made to enable motor car trials of speed to be conducted by the said Club on Mt Tarrengower Tourist Road, Maldon, on 20 and 21 of October 1984.

Now therefore the Lieutenant-Governor as Deputy for His Excellency the Governor of the State of Victoria, by and with the advice of the Executive Council thereof, and in pursuance of the powers conferred by the *Motor Car Act 1958* and all other powers him thereunto enabling, doth by this Order specify Mt Tarrengower Tourist Road, within the Shire of Maldon as a highway in respect of which any motor car may, without being subject to the application of the said Act, be used for purposes of trials of speed under the control of the said Vintage Sports Car Club of Australia, Victorian Division, on Saturday, 20 October 1984, between the hours of 1.00 p.m. and 5.30 p.m. and on Sunday, 21 October 1984, between the hours of 8.00 a.m. and 6.00 p.m. provided that the Officer-in-Charge of Police in attendance is satisfied that the highway is in a satisfactory condition for racing purposes and that adequate arrangements have been made for the safety of the public.

And the Honourable Steven Marshall Crabb, Her Majesty's Minister of Transport for the State of Victoria, shall give the necessary directions herein accordingly.

CITY OF BERWICK

By-Law No. 16

A By-law of the City of Berwick made under the *Local Government Act 1958*, the *Building Control Act 1981* and the *Victoria Building Regulations 1983* and numbered for:

(1) Adopting the requirements specified in Column 4 of Table 11.6 of the Regulations as the minimum requirements applying to an allotment and the siting of any Class I, Class II or Class X building thereon within the area set forth in Schedule 1 hereto (hereinafter called the Column 4 area).

(2) Adopting the requirements specified in Column 5 of Table 11.6 of the Regulations as the minimum requirements applying to an allotment and the siting of any Class I, Class II or Class X building thereon within the area set forth in Schedule 2 hereto (hereinafter called the Column 5 area).

(3) Prescribing requirements in excess of those specified in Table 11.6 for setback from frontage of Class I, Class II and Class X buildings.

(4) Prescribing requirements in excess of those specified in Table 11.6 for setback from any street alignment other than frontage in a Column 5 area.

(5) Prescribing requirements in excess of those specified in Table 11.6 for setback from any other boundary other than frontage or any other street alignment in a Column 5 area.

(6) Prescribing requirements in excess of those specified in Table 11.6 for setback from frontage, setback from any other street alignment and setback from any other boundary for allotments over 0.399 hectares in area.

(7) Specifying the maximum number of Class Ia buildings which may be constructed on any allotment as one except where the site complies with Clause 11.9 (2) of the Regulations.

(8) Specifying the maximum number of Class Xa buildings which may be constructed on any allotment as one.

(9) Specifying the minimum open space for Class II and two Class Ia buildings on one allotment.

(10) Prescribing set back for a Class II building in excess of the requirements specified in Table 11.6 of the Victoria Building Regulations.

By-Law No. 16

1. This By-Law shall be known as the Building (Site Requirements) By-Law.

Repeal of By-Law No. 11

2. By-Law No. 11 of the City of Berwick is hereby repealed.

3.1 In this By-Law words and phrases defined in the *Building Control Act* 1981 and the *Victoria Building Regulations* 1983 shall be deemed to apply to this By-Law.

3.2 In this By-Law:

"Council" shall mean the Council of the Municipality of Berwick.

"Regulations" means the *Victoria Building Regulations* 1983.

"Municipal District" means the whole of the Municipality of the City of Berwick.

Minimum Requirements for an Allotment and the siting of buildings thereon

4.1 Save as set out hereafter the minimum width of frontage, depth of allotment, area of allotment, setback from street alignment other than frontage and setback from any boundary other than frontage specified in Column 4 of Table 11.6 of the Regulations are hereby adopted as the minimum requirement applying to an allotment and the siting of any Class I, Class II or Class X building thereon within the area set forth in Schedule I hereto (hereinafter called the Column 4 area).

4.2 Save as set out hereafter the minimum width of frontage, depth of allotment, area of allotment, setback from any street alignment other than frontage and setback from any boundary other than frontage specified in Column 5 of Table 11.6 of the Regulations are hereby adopted as the minimum requirement applying to an allotment and the siting of any Class I, Class II, or Class X building thereon within the area set forth in Schedule 2 hereto (hereinafter called the Column 5 area).

4.3 It is hereby prescribed that any Class I, Class II or Class X building be setback at least 7.6 metres from the frontage of the allotment upon which it is sited provided always that no Class Ib, Class II, Class Xa or Class Xb building shall be constructed closer to the frontage of any allotment than any Class Ia building sited thereon.

4.4 It is hereby prescribed that any Class I, Class II or Class X building within a Column 5 area be setback at least 2.7 metres from any street alignment other than frontage and shall be setback at least 1.8 metres from any boundary other than frontage of the allotment upon which it is sited.

4.5 It is hereby prescribed that any Class Xa or Xb building shall be setback at least 1.2 metres from any boundary other than frontage of the allotment upon which it is sited unless the wall nearest each such boundary has a fire resistance rating and is constructed of concrete or masonry in accordance with the requirements of the Regulations and more particularly Part 16 thereof.

Allotments in Excess of 0.399 hectares in area

4.6 It is hereby prescribed that any Class I, Class II or Class X building be setback at least 15 metres from the frontage of the allotment upon which it is sited where that allotment is in excess of 0.399 hectares in area always provided that no Class Ib, Class II, Class Xa or Class Xb building shall be constructed closer to the frontage of the allotment upon which it is sited than the Class Ia building sited thereon.

4.7 It is hereby prescribed that any Class I, Class II or Class X building sited upon an allotment in excess of 0.399 hectares in area shall be setback at least 9 metres from any street alignment other than frontage and at least 4.5 metres from any other boundary other than frontage of such allotment.

Number of Class Xa buildings

5. No more than one Class Xa building may be constructed on any allotment.

Number of Class Ia buildings

6.1 Not more than one Class Ia building may be constructed on any allotment provided always that where the allotment has an area of 50% greater than the minimum area and width of frontage not less than that prescribed in the Column of Table 11.6 of the Regulations adopted by this By-Law in respect of that allotment than not more than two Class Ia buildings may be constructed on such allotment.

6.2 It is hereby prescribed that any Class II building be set back at least 3 metres from any boundary other than frontage of the allotment upon which it is sited for single storey flats plus an additional 2.5 metres for the next storey above the ground storey.

Minimum Open Space for Class I and Class II buildings

7. The Council hereby adopts 60 square metres as the minimum open living space at ground level for each Class Ia building or dwelling in a Class II building in lieu of 28 square metres as referred to in Clause 11.8 (3) of the Regulations where more than one Class Ia building or any dwelling in a Class II building is to be constructed on an allotment.

Date and Area of Operation

8. This By-Law shall come into operation on the date of publication thereof in the *Victoria Government Gazette* and shall apply throughout the whole of the Municipal District of the City of Berwick.

Schedule One (here set out the complete description of the Doveton Ward, Hallam Ward, Narre Warren Ward and Berwick Wards and any other areas which are intended to be included within Column 4 of Table 11.6).

Schedule Two (here set out an accurate description of the portions of the Berwick Ward to be included within Column 5 and any other areas which are to be so included).

Resolution for passing this By-Law was agreed to by the Council of the City of Berwick on 21 August 1984, and confirmed on 18 September 1984.

The common seal of the Mayor Councillors and Citizens of the City of Berwick was hereunto affixed in the presence of—

Local Government Act 1958

CITY OF BRIGHTON

Road Discontinuance Resolution

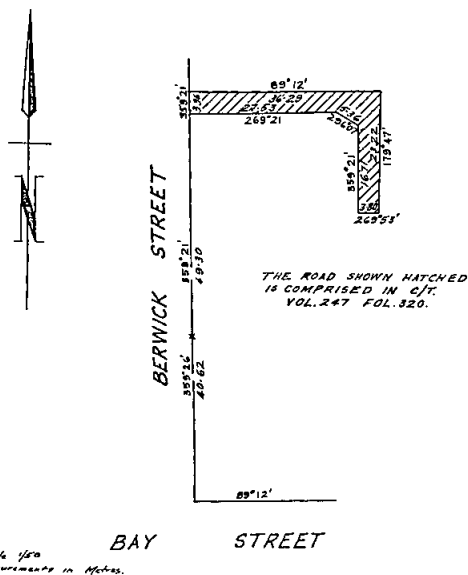

Whereas it is provided in section 528 (2) of the above Act (as amended) that where a road whether or not a public highway (but not being required as a road for public use) the Council of the municipality in which such road is situated may not less than one month after publishing a public notice in a newspaper generally circulating in the municipal district and giving written notice to the registered proprietor (if any) of the road and to the owners and occupiers (if any) of any land abutting or immediately adjacent to the road of its intention to make a Resolution discontinuing such road or part thereof may by Resolution published in the *Government Gazette* direct that such road or part thereof shall be discontinued and thereupon such road or part of the road shall be discontinued accordingly:

And whereas the Council of the above municipality hereby resolves that the right of way between 12 and 14 Berwick Street and at the rear of 10 and 12 Berwick Street be discontinued and not less than one month previously has

published a public notice in a newspaper generally circulated in the municipal district and has given written notice to the last registered owner of the land in the roads and to the owners and occupiers of lands abutting or immediately adjacent to the right of way of its intention to make this Resolution and has received no written objections within 14 days of the publication of the public notice aforesaid:

Now therefore the Council of the City of Brighton hereby directs:

- (a) that the said right of way shown hatched on the enclosed plan herewith shall be discontinued upon publication of this Resolution in the *Government Gazette*.
- (b) that the land in the said roads shall vest in the municipality to be retained by it until it is sold by private treaty.

CITY OF BROADMEADOWS Road Discontinuance

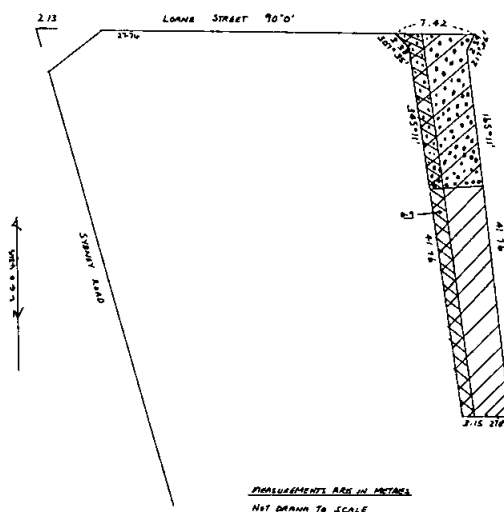

Whereas section 52B (2) of the Local Government Act provides that where a road whether or not a public highway (but not being a road set out on Crown land) or any part of that road is not reasonably required as a road for public use, the Council of the municipality in which such road is situated may not less than one month after publishing a public notice in a newspaper generally circulating in the municipal district and giving written notice to the registered proprietor (if any) of the road and to the owners and occupiers (if any) of any land abutting or immediately adjacent to the road of its intention to make a Resolution discontinuing such road or part thereof may by Resolution published in the *Government Gazette* direct that such road or part thereof shall be discontinued and thereupon such road or part of the road shall be discontinued accordingly.

And whereas the Council of the City of Broadmeadows resolved that part of a road off Lorne Street, Fawcner be discontinued and not less than one month previously has published a public notice in a newspaper generally circulating in the municipal district and has given written notice to the last registered owner of the land in the road and to the owners

and occupiers of lands abutting or immediately adjacent to the road of the proposed discontinuance and has considered all written objections received by it.

Now therefore the Council of the City of Broadmeadows hereby directs:

- (a) that the said road which is shown by hatching on the plan herewith shall be discontinued upon publication of this Resolution in the *Government Gazette*,

- (b) that notwithstanding such discontinuance the Gas and Fuel Corporation shall continue to have and possess the same right title power authority or interest in or in relation to the whole of the land shown by cross hatching on the said plan as it had or possessed prior to such discontinuance with respect to or in connection with any drains or pipes laid or erected in on or over such land for the purposes of drainage or sewerage;
- (c) that notwithstanding such discontinuance the City of Broadmeadows shall continue to have and possess the same right title power authority or interest in or in relation to the whole of the land shown by hatching on the said plan as it had or possessed prior to such discontinuance with respect to or in connection with any drains or pipes laid or erected in on or over such land for the purposes of drainage;
- (d) that notwithstanding such discontinuance there shall remain an easement of carriageway in relation to that part of the land shown by dotting on the said plan in favour of the land not dotted on the said plan;
- (e) that subject to any such right title power authority or interest the land in the said road shall vest in the municipality to be retained by it until it is sold by private treaty.
