Road Discontinuance

Whereas the Council of the City of Footscray has, pursuant to section 528 (2) of the Local Government Act 1958, formed the opinion that the road—

Rear of 1A-15 Gordon Parade and 2-12 Lorne Street and adjacent to 343 Williamstown Road, Yarraville,

is not reasonably required as a road for public use and has, not less than one month before formally directing by resolution that the said road be discontinued, published a public notice in a newspaper generally circulating in the Municipal district, and given written notice to the last registered owner of the land in the road and the owners and occupiers of lands abutting or immediately adjacent to the road of the proposed discontinuance, and has considered all (if any) written objections to the proposal.

Now therefore the Council of the City of Footscray by resolution on 15 October 1984, has directed that the said road which is shown by hatching and cross hatching on the plan hereunder be discontinued and the land being the road so discontinued shall vest in the Municipality until it is sold by private treaty.

Notwithstanding such discontinuance the Melbourne and Metropolitan Board of Works shall continue to have and possess the same right title power authority or interest in or in relation to the whole of the land shown by cross hatching on the said plan as it had or possessed prior to such discontinuance with respect to or in connection with any drains or pipes laid or erected in on or over such land for the purposes of drainage or sewerage or for the supply of water.
