VICTORIA POLICE FORCE

Determination No. 402 of the Police Service Board

The Police Service Board, in pursuance of the powers in that behalf conferred by the *Police Regulation Act 1958*, hereby makes the following Determination (that is to say):

1. The Determination No. 179 of the Police Service Board of 14 December 1971, and published in the *Government Gazette* of 25 January 1972, as amended, is hereby further amended as follows:

1.1 By deleting paragraph 62 (6) and substituting therefor the following new paragraph:

“(6) Reimbursements under paragraph 62 (5) shall be subject to the production of evidence of the transaction which is satisfactory to the Chief Commissioner that all amounts are necessarily based on the relevant authorized scale of fees up to a maximum reimbursement of the fees specified for—

(a) the sale and purchase of properties at prices not in excess of \$50 000 (excluding the value of chattels) in each case; and

(b) a first mortgage not in excess of \$30 000—

and provided that, unless the Police Service Board is of the opinion that special circumstances exist—

- (i) the member sells the residence at his former station within the period commencing on the day on which the member received notification in writing of his transfer to another station and ending on the day 2 years after the day on which he commenced duty at his new station, or sells such a residence after the expiration of that period pursuant to a contract of sale entered into within that period; and
- (ii) in respect of costs associated with the purchase of a residence, the member has become entitled to reimbursement of costs in accordance with paragraph 62 (5) (i) and has within the period commencing on the day on which he received notification in writing of his transfer to another station and ending on the day 4 years after the day on which he commenced duty at his new station—
 - (a) become the owner of a residence at the new station and that residence has become the residence in which he ordinarily resides; or
 - (b) entered into a contract within the period to purchase a residence at the new station with the intention to reside ordinarily in the residence and, after the expiration of the period, becomes the owner of the residence; and
- (iii) where a member who would upon purchasing a residence, be entitled to reimbursement of costs under paragraph 62 (5) (ii) and who has not so purchased a residence, is promoted or transferred from his new station to another before the expiration of the relevant period for purchase applicable to the first-mentioned station, the relevant period for purchase in relation to the second-mentioned station shall commence on the day on which the relevant period for purchase in relation to the first-mentioned station commenced and shall be extended by a period equal to the period commencing on that day and ending on the day on which the member commenced duty in the second-mentioned station; and
