Workers' Compensation

How does a compensation system strike a balance between the "dictates of humanity" and "economic necessity"?

A unique and exhaustive resource is now available to service this debate—in the form of the Report of the Cooney Enquiry into the Victorian Workers' Compensation System. The Report provides specific chapters on the following key issues:

- Pay-as-you-go versus Funded Schemes
- Central funds
- Insurers
- Self-Insurance
- Common Law
- Lump Sums
- Benefits
- Rehabilitation
- Safety

In the current national climate of extensive review of workers' compensation systems this Victorian Report is essential reading for unions, employers, Government administrators, academics, students and practitioners in this area.
