Planning Scheme Amendment No. 53 (Historic Area)

Notice is hereby given that the Town of Portland in pursuance of its powers under the *Town and Country Planning Act 1961* has prepared an Amendment No. 53 which provides for town planning controls in respect of areas and sites of historic or architectural significance.

Specifically an area of special significance is proposed to be introduced covering most of the central area of the town. Furthermore, a total of 126 sites are individually proposed to be recognized.

The Town Planning controls will provide generally that a planning permit must be obtained from Council to ensure that change and development of this area and these sites proceeds in a planned manner.

Council is confident that this approach will be rewarding to the town. The availability of a heritage architect service and a restoration fund will assist to promote the positive aspects of the proposed controls.

A copy of the Amendment has been deposited at the Town Planning counter at the Municipal Offices, Charles Street, Portland and at the Office of the Ministry for Planning and Environment (Plan Inspection Section), 5th Floor, 235 Queen Street, Melbourne and will be open for inspection during office hours to any person free of charge.
