*Obtaining Copy of the Statement*

A copy of the Regulatory Impact Statement is available from the Minister of Community Services, 55 Swanston Street, Melbourne, Victoria, Phone 654 4222. Submissions to the Minister about the proposed statutory rule will be accepted by the Minister until 24 January 1986.

*Adoption Act 1984*

NOTICE OF REGULATORY IMPACT  
STATEMENT

Proposed Statutory Rule  
Inter-Country Adoption

The Minister for Community Services has made available a regulatory impact statement in relation to a proposed Statutory Rule setting the maximum fees that may be charged for services relating to inter-country adoptions.

*Function of Rule*

To empower the Director General of Community Services Victoria to set fees for services provided by an adoption agency with regard to adoption of children from other countries; and to provide the fee setting regulations envisaged in sections 51, 68 and 112 of the *Adoption Act 1984*.

*Reasons for the Proposed Rule*

The objectives achieved by the proposed rule include:

- (i) having inter-country adoption services financially self supporting; and
- (ii) substantially reducing waiting periods for assessment of inter-country adoption applicants and improving adequacy of post placement services.

*Summary of Impact Statement*

The regulatory impact statement explores the options of:

- (1) setting fees under the proposed rule at a level ensuring that an inter-country adoption agency is self supporting; and
- (2) that of not charging fees and providing the services through a government funded adoption agency or through Community Services Victoria.

The costs to couples for fees are high but the benefits significant in that waiting lists for couples wanting assessment can be reduced very substantially with a fee for service approach. With Government funding of the service, couples would only be given similar priority to all other couples applying for adoption.

The Director General has capacity to waive or reduce fees in cases of hardship.
