CITY OF MOE PLANNING SCHEME 1966

Notice that a Planning Scheme has been Prepared and is Available for Inspection
Amendment No. 81

The City of Moe has prepared a Planning Scheme to—

Create within the municipality, a Commercial D zoning within which zone all development will be subject to the grant of a Permit.

ERRATUM

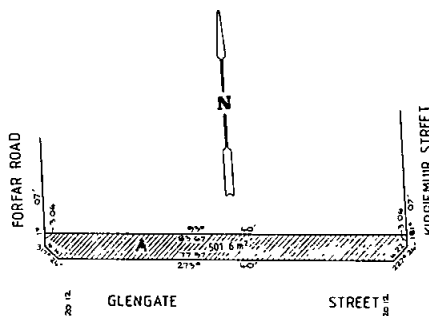

City of Northcote

In *Government Gazette* No. 84 of 1 August 1984, on page 2760 referring to discontinuance of road, the plan affixed thereto was incorrect in that the hatching did not extend sufficiently far enough south to properly identify all the properties affected.

That section of the road subject of the discontinuance is in fact as shown on the plan appended hereto.

G. I. WALSHE, Shire Secretary

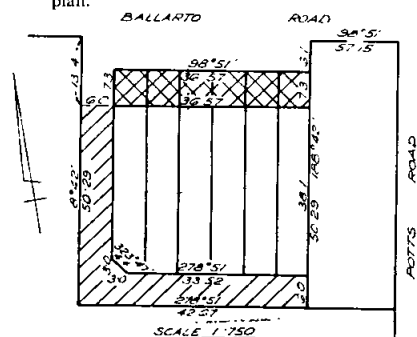

Whereas section 528 (2) of the Local Government Act provides that where a road whether or not a public highway (but not being a road set out on Crown Land) or any part of that road is not reasonably required as a road for public use, the Council of the municipality in which such road is situated may not less than one

month after publishing a Public notice in a newspaper generally circulating in the Municipal District and giving written notice to the registered proprietor (if any) of the road and to the owners and occupiers (if any) of any land abutting or immediately adjacent to the road of its intention to make a resolution discontinuing such road or part thereof may by Resolution published in the *Government Gazette* direct that such road or part thereof shall be discontinued and thereupon such road or part of the road shall be discontinued accordingly;

And whereas the Council of the Shire of Cranbourne hereby resolves that part of the right-of-way abutting Ballarto Road, Carrum Downs and abutting Lots 9-14, on LP. 51747 be discontinued and not less than one month previously has published a Public notice in a newspaper generally circulating in the Municipal District and has given written notice to the last registered owner of the land in the road and to the owners' and occupiers of lands abutting or immediately adjacent to the road of its intention to make this Resolution and has received no written objections within fourteen days of the publication of the Public notice aforesaid.

Now therefore the Council of the Shire of Cranbourne directs—

- that the said road which is shown by single hatching on the plan herewith shall be discontinued upon publication of this Resolution in the *Government Gazette*;
- that the land in the said road be transferred to the owner of Lots 9-14, LP. 51747, in exchange for transfer to the Shire of Cranbourne that portion of land shown by cross-hatching on the plan.
