By His Excellency the Governor of the State of Victoria and its Dependencies in the Commonwealth of Australia, &c., &c., &c.

Whereas by section 25 of the *Vegetation and Vine Diseases Act 1958*, it is provided that where the Governor in Council is of the opinion that it is necessary to protect the fruit industry of Victoria against the introduction or spread of insects of the family Trypetidae (commonly known as fruit flies), he may by Proclamation declare any portion of Victoria specified therein to be a proclaimed area and prohibit subject to regulations the removal from any place in the proclaimed area to any place outside that area or from any place in the proclaimed area to any other place in that area of any fruit fly or any fruit or vegetables of a kind or species which in his opinion may provide a host for fruit fly and require occupiers and owners of land in the proclaimed area to take such action for the prevention of the introduction or spread of fruit fly as is specified in the Proclamation.
