"Practical Levelling"—the determination of elevation of points nominated by the Board and the preparation of appropriate records.

"Professional Practice"—an oral examination concerning the responsibilities and obligations of a surveyor in respect of professional practice, legislation, and the community.

Prerequisites to Examination

Under Regulation 16 prospective examinees in any of the above Assessment Projects must, at the time of the examination—

- (a) have completed the required course of training in surveying as prescribed in Regulations 3 to 9 and have submitted to the Board a certificate or certificates of training;
- (b) have been credited with a pass in or been exempted from the Practical Projects as prescribed in Regulations 10 to 13—see below under Practical Projects; and
- (c) have lodged an application for examination as set out below under Applications for Examination.

Notwithstanding that the closing date for submission of Practical Projects is 2 August 1985, the Surveyors Board strongly urges prospective examinees to submit Practical Projects at least 8 weeks prior to that date (i.e. not later than 31 May 1985) so that they might have sufficient time to attend to any requisitions on the projects.

Applications for Examination

The Board will consider all applications for examination in the above Assessment Projects which have been lodged in accordance with Regulation 19 (3) at or before 12 noon on 2 August 1985.

Where a prospective examinee has not met the requirements of Regulation 17 (c) but has submitted Practical Projects (as indicated above) that person should submit an application for examination in the above Assessment Projects in the expectation of meeting the requirements of Regulation 17 (c).

Conduct of Examinations

The examinations in "Field Practice" and "Practical Levelling" will commence at 8.00 a.m. on 16 September 1985. All candidates must contact the Board's Secretary on Friday, 13 September 1985 between 9.30 a.m. and 3.30 p.m. in order to be advised of acceptance or otherwise of an application for examination and what arrangements have been made accordingly.
