The prices payable for sales of packaged milk in the Border Milk District, other than sales at Public Venues, shall be as shown in Schedule 2.

The prices payable for sales of packaged Ultra Heat Treated Milk in all Milk Districts shall be as shown in Schedule 3.

The prices payable for sales of milk at approved Public Venues in all Milk Districts shall be as shown in Schedule 4.

The prices payable for milk and milk products in the package types as shown in Column 1 of the attached schedules shall be as indicated in the appropriate columns according to the category of sale.

The categories of sale are defined as:

1. Inter-processor sales are those from a processor to another processor.

2. Wholesale sales are those from a processor to a delivery dairyman.

3. Semi-wholesale sales are those from a dairyman to a milk shop, house-trade dairy, or other approved person.

4. Retail sales are sales by a milk shop, house-trade dairy, or other approved person to consumers. This category does not include sales to consumers from automatic vending machines or public venue sales.

5. In accordance with the Milk Board Act, "Retail" means—

(a) when referring to the sale or distribution of milk by a dairyman or a milk vendor—sale or distribution to a person of not more than 10 litres on any one day; and

(b) when referring to the sale of milk from a milk shop—any sale.
