*Consumer Affairs Act 1972*INTERIM ORDER PROHIBITING THE SUPPLY
OF DANGEROUS GOODS

Whereas John David Hall, Director of Consumer Affairs, notwithstanding that he has not fully investigated the matter, has recommended to me pursuant to section 57c (1) of the *Consumer Affairs Act 1972* that the supply of goods, namely:

Goods known as a skimmer box, which forms part of the filtration system in spa pools and swimming pools, is of open construction and integrally moulded into the structure of the pool and does not have a fixed lid (being a lid which can only be removed by the use of a tool)

should by reason of their being dangerous be prohibited.

And whereas I, Peter Cornelis Spyker, Minister for Consumer Affairs believe that the supply of goods of that class or description ought, in the interests of the safety of the public, be prohibited immediately.

Now therefore I, Peter Cornelis Spyker, Minister for Consumer Affairs pursuant to the powers conferred on me by section 57c of the *Consumer Affairs Act 1972* hereby make an interim order prohibiting the supply in Victoria of goods, namely:

Goods known as a skimmer box, which forms part of the filtration system in spa pools and swimming pools, is of open construction and integrally moulded into the structure of the pool and does not have a fixed lid (being a lid which can only be removed by the use of a tool).
