## Consumer Affairs Act 1972

ORDER PROHIBITING THE SUPPLY OF  
DANGEROUS GOODS

Whereas John David Hall, Director of Consumer  
Affairs, after having fully investigated the matter has  
recommended to me that the supply of goods, namely:

Goods known as a skimmer box, which forms part  
of the filtration system in spa pools and swimming  
pools, is of open construction and integrally moulded  
into the structure of the pool and does not have a  
fixed lid (being a lid which can only be removed by  
the use of a tool)

should, by reason of their being dangerous, be  
prohibited.

Now therefore, I, Peter Cornelis Spyker, Minister for  
Consumer Affairs pursuant to the powers conferred on  
me by Part IV of Division 1 of the *Consumer Affairs  
Act 1972* hereby make an Order prohibiting the supply  
in Victoria of goods, to wit:

Goods known as a skimmer box, which forms part  
of the filtration system in spa pools and swimming  
pools, is of open construction and integrally moulded  
into the structure of the pool and does not have a  
fixed lid (being a lid which can only be removed by  
the use of a tool).
