## CREDIT (ADMINISTRATION) ACT 1984

The following persons applied on or before 31 May 1985 for Credit Provider's Licences under the abovementioned Act.

None of the applications has yet been considered by the Credit Licensing Authority. However, Section 37 (3) of the Act, in effect, authorizes each applicant to continue to carry on the business of providing credit until the application has been determined by the Credit Licensing Authority.

The application of the name of any applicant in the following list is not intended to indicate that a licence is shortly to be issued to that applicant or that the Authority intends either to grant or refuse the application.

Public notice will be given in the press shortly before the Authority proceeds to deal with any particular application. Members of the public will have an opportunity at that time to object to the granting of a licence to any particular applicant.
