PROPOSED LOTTERIES GAMING AND
BETTING (RAFFLES AND BINGO PERMITS)
(BINGO CENTRE OPERATOR LICENCE)
REGULATIONS 1986

Pursuant to the provisions of the *Subordinate Legislation Act* 1962, the Department of Sport and Recreation invites written comments from members of the public on the above proposed Regulations.

The objective of the proposed Regulations is to give effect to the provisions of the *Lotteries Gaming and Betting (Amendment) Act* 1986 relating to the licensing of bingo centre operators, by—

- (a) providing the machinery for the making of applications and the issue of licences for bingo centre operators; and
- (b) prescribing appropriate fees for the issue, renewal and transfer of licences.

A Regulatory Impact Statement has been prepared which indicates that the Regulations are necessary to provide the machinery for administration of the Act and that the proposed fees will cover the cost of

administration without imposing any unreasonable burden on bingo centre operators.

Copies of the Regulatory Impact Statement are available from the Racing and Gaming Division, Department of Sport and Recreation, 7th Floor, 140 Queen Street, Melbourne, 3000, or by phoning 67 8922.

Written submissions should be made to the above address, quoting reference No. 3/10/14, within 21 days of the publication of this notice.

These Regulations are made in lieu of all previous Regulations made for or in respect to the Reserve, which are hereby revoked.

REGULATIONS

1. The section of the Reserve, known as the Four Mile Beach, shall be open to the public at all times, free of charge, except on such days not exceeding twenty-six (26) in any one year as any portion of the section inclusive of the beach, may be set aside for

the purposes consistent with the reservation and with the consent of the Committee.

2. No person shall enter or remain in the Reserve who may offend against decency as regards dress, language, or conduct.

3. No person shall damage or interfere in any way with the trees or shrubs, in the Reserve, nor shall fires be lighted therein except with the written consent of the Committee.

7. No person shall put or graze in the Reserve any cattle, goats, pigs, horses, sheep or any other animals without the permission, in writing, of the Committee being first obtained, except grazing rights being held from the Crown.

8. (i) No person without the consent in writing of the Committee or its appointed Officers shall cause or suffer or knowingly permit any dog belonging to him, or in his charge, to enter or remain in the Reserve unless such dog be and continues to be under proper control of a chain, cord or leash, and be effectively restrained from causing annoyance to any person, or from damaging or interfering in any way with the property of the said Committee, or bring into the Reserve any dog for the training or exercising for coursing or other purposes of sport.

9. No person shall camp or erect any tent or other structure on any portion of the Reserve, except on such portion as may be specially set apart for the purpose in the Reserve, and then only with the consent, in writing, of the Committee and on payment of such fees and subject to such conditions as the Committee may determine.

10. No person shall erect any bathing-box, boathouse, shed, or any other building, structure, or erection or booth on any site on the Reserve without the permission, in writing, of the Committee first obtained, and such permission may be granted subject to such terms, fees, and conditions as may be deemed reasonable and advisable by the Committee consistent with these Regulations, but no person shall use or cause to be used or knowingly

permit to be used any such bathing-box, boathouse, shed or any other building, structure, or erection or booth for residential purposes.

12. No person shall neglect or refuse to remove any bathing-box, boathouse, shed or other building, structure or erection or booth erected or placed by him on any site in or on the Reserve within fourteen (14) days after the Committee has sent by registered post to his last known address a notice requiring such person to remove such bathing-box, boathouse, shed or any other building, structure, or erection or booth. Such notice may be signed by either the Chairman or Secretary for the time being of the said Committee.

13. In the event of any such neglect or refusal as above mentioned continuing after the expiration of the said fourteen (14) days, the Committee may remove such bathing-box, boathouse, shed, or any other building, structure, or erection or booth and recover the cost and/or expenses of such removal from the person so neglecting or refusing to remove the same, but without prejudice to proceedings by way of information for breach of these Regulations being taken against such person so neglecting or refusing.

19. No person shall park a vehicle within the Reserve, except in places set apart by the Committee for the parking of vehicles.

20. The Committee may fix such fee as it thinks fit as the fee for the parking of vehicles in any place set apart within the Reserve for the parking of vehicles.

21. Every person who parks a vehicle in the place set apart for the parking of vehicles shall pay to the Committee or its authorized representative on demand such fee as has been fixed by the Committee pursuant to these Regulations as fee for parking in such place.

VICTORIAN OCCUPATIONAL HEALTH AND SAFETY COMMISSION

Dangerous Substances (Placarding of Workplaces) Regulations 1985—Proposed Amendments

Under section 8 of the *Occupational Health and Safety Act 1985*, the Occupational Health and Safety Commission invites comment on the above proposed amending Regulations. In addition, a Regulatory Impact Statement (RIS) for these amendments has been prepared under the *Subordinate Legislation Act 1962*. Comment on the RIS are also invited.

It has been found that the original Dangerous Substances (Placarding of Workplaces) Regulations 1985 were unnecessarily prescriptive in some areas notably as they related to certain farms, to schools and to small quantities of dangerous substances.

The objective of the proposed amendments is to improve the effectiveness of the Regulations by removing certain superfluous requirements while maintaining controls on safety.

The RIS concludes that at virtually no cost to the public, industry or the Government, the proposed amendments will remove some potentially misleading requirements of the regulations. It further concludes that making of the proposed amendments are the only way in which the changes can be effected.

Copies of both the Regulatory Impact Statement and the proposed amendments are available by writing to:

Victorian Occupational Health and Safety Commission,
Level 7, 500 Bourke Street,
Melbourne, Vic, 3000

or by phoning: Karen Wheelwright on 602 8247.

Comments on both the Statement and the amendments will be received in writing at the above same address no later than Wednesday, 24 December 1986.

Occupational Health and Safety Act 1985

Under section 8 (1) (f) of the *Occupational Health and Safety Act 1985* the Occupational Health and Safety Commission has the function of approving courses in occupational health and safety. Section 31 (2) (d) of the Act requires an employer to permit health and safety representatives to take time off work with pay for the purposes of taking part in any Commission-approved course of training relating to occupational health and safety.

Notice is hereby served that at a meeting on 13 November 1986 the Commission approved the following occupational health and safety courses for the purposes of section 8 (1) (f) and section 31 (2) (d) of the *Occupational Health and Safety Act 1985*:

CONSENT TO VARIATION OF A SEPARATE RATE—CITY OF MOORABBIN

Whereas by Order published in the *Government Gazette* on 15 February 1984 the Governor in Council pursuant to the provisions of section 287 of the *Local Government Act 1958*, confirmed a separate rate made by the Council of the City of Moorabbin for the purpose of providing off-street parking facilities for use in connection with the Cheltenham Shopping Centre.
