Discontinuance of Alan Road, Warrandyte South  
Pursuant to section 528 (2) of the *Local Government Act 1958*, the Shire of Lillydale, being of the opinion that the road is not reasonably required as a road for public use, has consulted with the appropriate public statutory authorities, has considered objections to the proposal to discontinue the road, resolved on 24 February 1986 to direct that the road be discontinued and shall vest in the municipality until it is sold by private treaty.

Dated 11 March 1986

2143 K. H. SCOTT

**SHIRE OF MELTON**  
Road Discontinuance

Whereas section 528 (2) of the Local Government Act provides that where a road whether or not a public highway (but not being a road set out on Crown land) or any part of that road is not reasonably required as a road for public use, the council of the municipality in which such road is situated may not less than one month after publishing a public notice in a newspaper generally circulating in the municipal district and giving written notice to the registered proprietor (if any) of the road and to the owners and occupiers (if any) of any land abutting or immediately adjacent to the road of its intention to make a resolution discontinuing such road or part thereof may by resolution published in the *Government Gazette* direct that such road or part thereof shall be discontinued and thereupon such road or part of the road shall be discontinued accordingly.

And whereas the Council of the Shire of Melton resolved that the road being situated in Northcott Street, Melton be discontinued and not less than one month previously has published a public notice in a newspaper generally circulating in the municipal district and had given written notice to the last registered owner of the land in the road and the owners and occupiers of land abutting or immediately adjacent to the road of the proposed discontinuance and has considered all written objections received by it.

Now therefore the Council of the Shire of Melton hereby directs:

- (a) that the said road which is shown by hatching and cross-hatching on the plan herewith shall be discontinued upon publication of this resolution in the *Government Gazette*.

- (b) that notwithstanding such discontinuance the Shire of Melton shall continue to have and possess the same right title power authority or interest in or in relation to the whole land shown by hatching and cross-hatching on the said plan as it had or possessed prior to such discontinuance with respect to or in connection with any drains or pipes laid or erected in or over such land for the purposes of drainage;
- (c) that subject to any such right title power authority or interest the land in the said road shall vest in the municipality to be retained by it until it is sold by private treaty.

**STANDARD CHARTERED FINANCE LIMITED ("SCF")**

35 YORK STREET, SYDNEY

Notice of Name Changes

Take notice that application has been made to the Corporate Affairs Commission to reserve the names "Standard Chartered Limited" and "Standard Chartered Finance Limited". In March of 1986, after completion of certain procedural requirements, the following name changes will occur:

- (a) SCF will change its name to "Standard Chartered Limited";
- (b) a wholly owned subsidiary of SCF, "Naltos Limited", will change its name to "Standard Chartered Finance Limited"; and
- (c) upon the issue of a banking authority "Standard Chartered Limited" will change its name to "Standard Chartered Bank Australia Limited".

The reason for the name changes is to allow the Standard Chartered Group of Companies in Australia (the "Group") to establish a commercial bank with a banking licence to be known as "Standard Chartered Bank Australia Limited". SCF has been chosen as the vehicle to become the new bank because it is a listed public company and will allow the Group to satisfy the Federal Government's shareholding requirements. In addition, to meet the prudential requirements of the Reserve Bank of Australia it is proposed to sell certain of SCF's assets to Naltos Limited and for Naltos Limited to assume SCF's liability to its debenture holders and certain liabilities to other creditors. This will be effected by a scheme of arrangement.

If the scheme of arrangement is approved SCF will change its name to "Standard Chartered Limited" to allow "Naltos Limited" to become known as "Standard Chartered Finance Limited". Ultimately, "Standard Chartered Limited" will change its name to "Standard Chartered Bank Australia Limited".

For and on behalf of Standard Chartered Finance Limited.
