**PROPOSED REGULATIONS REGARDING  
DAIRY PRODUCE**

In order to protect public health, it is proposed that new Regulations be made, with the objectives of setting standards for dairy produce and standards for handling dairy produce from the point of production to retail sale.

A Regulatory Impact Statement has been made available to the public and written comments have been considered. The Minister for Agriculture and Rural Affairs has decided that the potential benefits to the community of adopting the proposed Regulations (with some amendments arising from public comments) outweigh the potential costs.

Copies of the proposed Regulations (as revised) are available from: Director, Dairy Quality Assurance Services, Department of Agriculture and Rural Affairs, PO Box 500, East Melbourne. Telephone: 651 7858.
