The Regulations are made pursuant to the *Mental Health Act 1986*.

The proposed Regulations will enable the Act to be brought into operation.

The objectives of these Regulations are—

- (a) to prescribe forms and fees for the purposes of the Act; and
- (b) to fix the limits of and rate of interest payable on patients' accounts.

A regulatory impact statement has been prepared in accordance with the provisions of the *Subordinate Legislation Act 1962* setting out the anticipated impact of the proposed Regulations.

Among other things, the Regulations prescribe fees for the licensing of premises for the performance of electroconvulsive therapy. The results of the impact statement are that the benefits of the proposed fees, in terms of public safety, will outweigh the costs.

Copies of the statement may be obtained from Janise Sibly, Department of Health, 21st Floor, Enterprise House, 555 Collins Street, Melbourne 3000 (phone: 616 7281) during business hours.

Public submissions in response to the regulatory impact statement are invited and should be sent to the officer at the above address, quoting reference number 902L0202134, within 21 days of the date of publication of this notice.

*Consumer Affairs Act 1972*

**ORDER PROHIBITING THE SUPPLY OF  
DANGEROUS GOODS**

Whereas John David Hall, Director of Consumer Affairs, after having fully investigated the matter, has recommended to me that the supply of goods, namely:

Spring loaded pop gun toys, being goods comprising a barrel designed, or apparently designed, to discharge a cork or hollow plastic bullet or similar object by means of air pressure which is caused by the movement of a spring-loaded plunger in the barrel, and where the barrel is not fitted with, or does not incorporate, a guard or barrier which prevents the gun from being used to discharge any object by means other than solely by air pressure,

should by reason of their being dangerous be prohibited.

Now therefore, I, Peter Cornelis Spyker, Minister for Consumer Affairs pursuant to the powers conferred on me by Part IV, Division 1 of the *Consumer Affairs Act 1972* hereby make an order prohibiting the supply in Victoria of goods, namely:

Spring loaded pop gun toys, being goods comprising a barrel designed, or apparently designed, to discharge a cork or hollow plastic bullet or similar object by means of air pressure which is caused by the movement of a spring-loaded plunger in the barrel, and where the barrel is not fitted with, or does not incorporate, a guard or barrier which prevents the gun from being used to discharge any object by means other than solely by air pressure,

should by reason of their being dangerous be prohibited.
