EXEMPTION

Application No. 17 of 1986

On 9 December 1986, the Equal Opportunity Board considered an application under section 40(1) of the *Equal Opportunity Act 1984* by Target Australia Pty. Ltd. for an exemption from the provisions of the Act to enable the Company to advertise for and employ women in two Security/Loss Prevention Officer positions.

The Board had regard to the applicant's submission which informed the Board that:

- (i) the Security Officers were required to control female locker rooms, the female amenities block and search the bags of female staff; and
- (ii) previous advertisements for male or female officers had resulted in male applicants only;

and determined that the exemption requested was desirable.

The Board hereby grants an exemption from section 21(1)(a) and (c) and section 59 of the *Equal Opportunity Act 1984* to permit Target Pty. Ltd. to advertise for and employ women in two Security/Loss Prevention Officer positions.

This exemption shall remain in force until 9 December 1989.

EXEMPTION

Application No. 18 of 1986

On 9 December 1986, the Equal Opportunity Board considered an application under section 40(1) of the *Equal Opportunity Act 1984* by St John's Homes for Boys and Girls for an exemption from the provisions of the Act to enable the Organisation to advertise for and appoint male or female youth workers as the circumstances require to maintain an even balance of the sexes in the youth hostel staff teams.

The Board had regard to the applicant's submission which informed the Board that:

- (i) the range of services provided by the organisation includes counselling on matters of personal hygiene and sexuality;
- (ii) hostel residents benefit from the role models provided by staff;
- (iii) to cater for the residential needs, the Organisation needs to provide access to staff members of both sexes and the hostels are run on rostered models with four youth workers forming the staff team in each one;
- (iv) evenly balanced staff teams are most suitable because of the nature of the rosters in each hostel—staff take annual leave and during a normal fortnight's work may not see a particular resident for anything up to 5 days;

and determined that the exemption requested was desirable.

The Board hereby grants an exemption from the operation of section 21(1) (a) and (c) and section 59 of the *Equal Opportunity Act 1984* to permit St John's Homes for Boys and Girls to advertise for and appoint male or female youth workers as the circumstances require to maintain an even balance of the sexes in the youth hostel staff teams.

This exemption shall remain in force until 9 December 1989.

CITY OF MALVERN  
Road Discontinuance  
Erratum

Whereas notice pursuant to section 528 (2) of the *Local Government Act 1958* was given by the Council of the City of Malvern in *Government Gazette* No. 24 of 16 April 1986 on page 928 thereof as follows:

Whereas the Council of the City of Malvern has, pursuant to section 528 (2) of the *Local Government Act 1958*, formed the opinion that the road known as part Howson Street, is not reasonably required as a road for public use has, not less than one month before formally directing that the said road be discontinued, published a public notice in a newspaper generally circulating in the municipal district, and given written notice to the last registered owner of the land in the road and the owners and occupiers of lands abutting or immediately adjacent to the road of the proposed discontinuance, and has considered all (if any) written objections to the proposal.

Now therefore the Council of the City of Malvern by resolution on 7 April 1986, has directed that the said road which is shown hatched on the plan hereunder be discontinued and the land being the road so discontinued shall vest in the municipality.

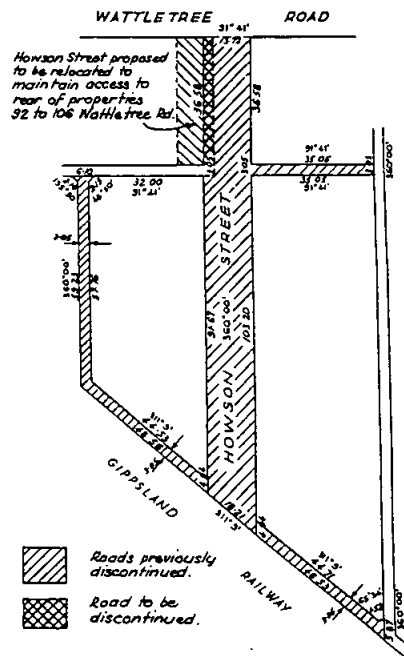

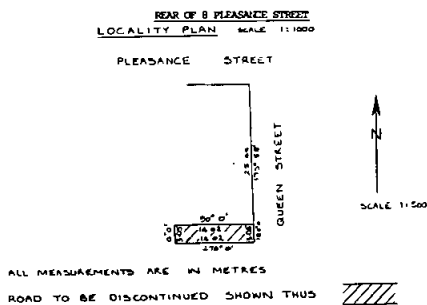

CITY OF BRUNSWICK

Whereas it is provided in section 528 (2) of the *Local Government Act 1958* that where a road (whether or not a public highway but not being a road set out on land of the Crown) or any part thereof is not required for public use, the Council of the Municipality in which such a road is situated may, not less than one month after publishing in a newspaper generally circulating in the district and posting to the registered proprietor (if any) of the land and the owners and occupiers (if any) of lands abutting or immediately adjacent to the road notice of intention to resolve that such road or part shall be discontinued.

And whereas the Council of the City of Brunswick having published or posted such notice of intention as aforesaid and having not received any objections to the proposal, has resolved that the road at the rear of 8 Pleasance Street, East Brunswick, be discontinued.

Now therefore the Council of the City of Brunswick hereby directs that:

- (a) the said road which is shown by hatching on the plan hereunder shall be discontinued.
- (b) the publication of this resolution be effected in the *Government Gazette*; and
- (c) thereafter subject to any such right, title, power, authority, or interest, the said part be sold to the abutting owner by private treaty.

Now take notice that the words—

“that the said road which is shown hatched on the plan hereunder be discontinued and the said land being the road so discontinued shall vest in the municipality”.

should have read as follows—

“that the said road which is shown cross-hatched on the plan hereunder be discontinued and the said land being the road so discontinued shall vest in the municipality to be retained by it until it is sold by private treaty”.
