SPECIAL

Subordinate Legislation Act 1962
Metropolitan Fire Brigades Act 1958
**PROPOSED METROPOLITAN FIRE
BRIGADES (CONTRIBUTIONS)
REGULATIONS 1988**

It is proposed that new Regulations be made:

- (a) To revoke the Metropolitan Fire Brigades (Contributions) Regulations 1970 and their antecedents in anticipation of their "sunset" date of 30 June 1988;
- (b) To identify the various classes of insurance policy which are regarded as having a fire component, and to specify the proportions of the premiums arising from those policies which are attributable to their fire component;
- (c) To establish the mechanisms by which the Metropolitan Fire Brigades Board can determine the amount to be contributed by each eligible insurance company under section 40 of the Act;
- (d) To provide a basis for the calculation of the contributions to the Board under section 44A of the Act. These are made by the owners of property within the M.F.D. who either self-insure or insure outside Victoria, and by insurance brokers, where insurance outside Victoria is arranged through them.

A Regulatory Impact Statement has been prepared as required by the *Subordinate Legislation Act 1962*. As a result of preparing that statement it is concluded that the potential benefits to the community of adopting the proposed Regulations outweigh any disadvantages.

Copies of the Regulatory Impact Statement and the proposed Regulations are available from:

Mr. Paul Williamson, Fire and Emergency Services Division, Ministry for Police and Emergency Services, Old Treasury Building, Spring Street, Melbourne 3000. (Phone 651 6148).

Comments and submissions are invited from the public and will be received up to 21 days from the publication of this advertisement.

**DANDENONG VALLEY AUTHORITY
(PATTERSON RIVER RECREATIONAL
AREA) REGULATIONS 1988**

It is proposed that the Dandenong Valley Authority (Patterson River Recreational Area) Regulations 1988 be made to revoke the existing Dandenong Valley Authority (Patterson River Recreational Area) Regulations 1968 to replace these regulations with updated regulatory provisions.

These regulations provide for the control management use and care of the recreational area at Patterson River so that the area is managed for the benefit of the community in a manner compatible with flood mitigation, the need for the protection of water quality, health standards and the environment.

A Regulatory Impact Statement has been prepared and this concludes that the preferred method of achieving the objective is to make regulations.

Comments and submissions are invited from the public and will be received up to 21 days from the publication of this advertisement. Copies of the Regulatory Impact Statement are available from: The Chief, Property and Legal Services, Rural Water Commission of Victoria, 590 Orrong Road, Armadale 3143. Telephone: Mr Colin Shandler 508 2322.

Any enquiries regarding the content of the statement should be made to Mr Bruce Rush of the Dandenong Valley Authority on 797 1508.
