I, Robert Clive Fordham, the Designated Authority for and on behalf of the Commonwealth-Victoria Offshore Petroleum Joint Authority acting pursuant to section 20 (1) of the *Petroleum (Submerged Lands) Act 1967*, of the Commonwealth of Australia, hereby invite applications for the grant of an exploration permit in respect of the following blocks within the area as described in the following schedule.

Schedule

(The references hereunder are to the names of map sheets of the 1:1 000 000 series and to the numbers of the graticular sections shown thereon.)

Area V88-G1

Map Sheet SJ-55 (Melbourne)

Block No. 1778; Block No. 1779

Contains 2 blocks

Applications

Applications for the award of a permit over the above area are required to be made in the approved manner, submitted in duplicate and should be accompanied by:

(a) Details of—

- (i) the applicant's assessment of the petroleum potential of the area, including a geological and geophysical review and technical assessment of the area, and the concepts underlying the proposed exploration program;

- (ii) the applicant's minimum guaranteed proposal (in terms of operational activity and indicative minimum expenditure) for data evaluation, seismic surveying activities and exploration wells to be drilled, on the basis that none of the wells drilled encounters significant hydrocarbons, for each year of the first three years of the permit term. This proposal, to be known as the minimum guaranteed "dry hole" work program, should only include work expected to involve a substantial exploration component—appraisal work should not be included;

- (iii) the applicant's proposal (in terms of operational activity and indicative minimum expenditure) for data evaluation, seismic surveying activities and exploration wells to be drilled, for each of the remaining three years of the permit term. This proposal, to be known as the "secondary" work program, should only include work expected to involve a substantial exploration component—appraisal work should not be included.

(b) Particulars of—

- (i) the technical qualifications of the applicant and of its employees;
- (ii) the technical advice available to the applicant;
- (iii) the financial resources available to the applicant, including evidence of the applicant's ability to fund the work

2420 G 30 10 August 1988

- program proposed, a statement of other exploration plans and commitments over the next six years, and a copy of the latest annual report for each applicant company;
- (iv) where relevant, the viability of the consortium lodging the application, including evidence that a satisfactory settlement has been, or can be, reached on a Joint Operating Agreement (a copy of a Heads of Agreement dealing will generally suffice);
- (v) the percentage participating interest of each party to the application; and
- (vi) the business address for service of notices in respect of each applicant.
- (c) Such other information as the applicant wishes to be taken into account in consideration of the application including, for example, past performance in offshore exploration either in Australia or overseas; past performance and future intentions as to the sourcing of goods and services to be used in operations; evidence of recent willingness to apply for "frontier" exploration areas, such as previously unavailable areas, deeper water prospects, hostile environments; proposals to improve technical capabilities through research to be undertaken in Australia or overseas and, in the case of foreign companies, proposals to transfer technology and skills to Australians.
- (d) A fee of \$3000, payable to the Commonwealth of Australia through an Australian bank or bank cheque, is required for each area [see section 21 (1) (f) of the *Petroleum (Submerged Lands) Act 1967*].

Further details of the modified work program bidding system outlined above, including the criteria for assessment of applications and the conditions to apply following the award of a permit, are available from the Director of Petroleum, Department of Industry, Technology and Resources in Melbourne and from the Petroleum Division, Department of Primary Industries and Energy in Canberra.

It should be noted that any income derived in the future from the recovery of petroleum from these areas will be subject to the Commonwealth Government's Resource Rent Tax.

Applications together with relevant data should be submitted in the following manner to the Director-General, Department of Industry, Technology and Resources, 6th Floor, 151 Flinders Street, Melbourne, Vic. 3000; Attention:

Rules

11. Every permit issued by the Committee pursuant to Regulations 6, 7 and 8, is subject to the conditions contained in these Rules.

Betting Books

12. (1) Details of all bets must be fully and correctly recorded. Failure to observe this requirement will result in immediate revocation of the permit.

(2) Bets must be recorded at the time of making, even though confirmation of the bet does not occur until the cash is lodged. If the cash is not paid within the required time, the bet should then be cancelled.

(3) TRIPLICATE betting books MUST BE USED. The 3 copies are to be treated as follows:

Original—to Betting Tax Office.

Duplicate—to Moonee Valley Racing Club Inc.

Triplicate—retained by bookmaker.

Duplicate sheets are collected from Rails bookmakers after each race. All other bookmakers are required to lodge duplicate at the Supervisor's Office after the last race.

(4) The name of the bookmaker is to appear clearly in block letters on each betting sheet.

Credit Betting

13. (1) Names of credit backers should, as far as possible, be recorded in full. However, where this is not done, information as to credit bets must be made available when required by Stipendiary Stewards or Club Officials.

(2) Bookmakers are not obliged to allow the privilege of credit betting to any person merely because that person has a medallion or ticket entitling them admission to the Members' Reserve. The granting of credit is always a question of bookmakers' discretion.

Betting Notices

14. (1) The use of betting notices "BOARD NOT SET", "WIN ONLY", "WIN AND PLACE" is compulsory. If no notice is displayed, bookmakers are deemed to be betting "WIN AND PLACE" and backers must be accommodated on that basis.

(2) Bookmakers may elect to bet "Win Only" or "Win and Place" on each particular race. If they elect to bet "Win and Place", they must not display "Win Only" odds about any horse at any time.

Betting Stand

15. (1) Bookmakers must use the betting stand allotted by the ballot conducted by the Club.

(2) Moving from the allotted stand is not permitted. The permit of a bookmaker will be immediately revoked if found using a stool away from the allotted stand.

(3) Litter baskets are provided at every stand and bookmakers must ensure that all discarded horse name slips are placed therein.

(4) Notice of absence from any meeting must be notified to the Club by 10.00 a.m. on raceday giving reason for not betting.

(5) Failure to collect bets at the allotted stand 30 minutes before the advertised starting time of the first race and each subsequent race is liable to result in forfeiture of the stand and suspension of permit.

(6) A "Shift" is forfeited when a bookmaker is not in attendance at least 30 minutes prior to the advertised starting time of the first race.

(7) Bookmakers having unpaid bets on the last race run must ensure that someone is in attendance at the stand to pay such bets at least 15 minutes after the declaration of correct weight for the last race.

(8) Bookmakers not having money on hand with which to continue working after meeting cash commitment on previous races must cease betting immediately.

Tickets

16. (1) Betting tickets must be written clearly—"Win Only" tickets must bear an X of the lower half. "Each-Way" tickets must show "Place" amount separately. Any departure from the Club's instructions as to how tickets for certain horses are to be marked will involve a decision in favour of the backer in the event of a dispute.

(2) After each meeting, all unpaid tickets must be listed on the holdings card. If no tickets are outstanding, the card is to be marked "NIL".

(3) Bookmakers must retain paid tickets for a minimum period of three months.

Future Events Doubles

17. (1) This form of betting may only be operated—

(a) at the bookmaker's own betting stand or pay-out stand;

OR

(b) at such other place as is designated by the Club.

(2) Bets must not be accepted on any Double which includes a race which is run at Moonee Valley on the same day as bets are made.

(3) Vouchers must be endorsed with the name of the racecourse and the date of issue and must be signed by the bookmaker or his duly authorised employee.

(4) The guarantee period expires on 31 December each year and any alteration to the panel of "Future Events Operators" must be submitted before that date.

3 and 4-Placed Horses

18. (1) This form of betting must cease at 12.45 p.m. or at the advertised starting time of the second race, whichever is the later. Normal place betting operations must, however, always be conducted on early races as well.

(2) Where a scratching or scratchings (on or after the advertised starting time of an early "leg") prevents a backer from winning, bets are to be paid at one-third or one-quarter of the face value of the ticket.

Protests

19. In the event of a protest being lodged, bookmakers are expected to pay-out on the same horse or horses for which tote dividends are displayed or broadcast.

Substitutes

20. (1) Bookmakers must advise the Club in writing the name of the substitute and the period the substitute will be working.

(2) No bookmaker may operate as a substitute for another bookmaker. A bookmaker who has been granted the right to employ a substitute is not permitted to be on the racecourse during the currency of a substitute's permit.

(3) Except as is approved by the Committee, no bookmaker is permitted to employ a substitute at more than four meetings in any season which commences on 1 August.

(4) A substitute employed by a rails emergency is not permitted to bet on the "Rails".

Clerks

21. Two clerks are allowed free of charge. "Extra" clerks must be paid for before being used, otherwise a penalty rate will be charged. The term "clerk" includes every person used in any capacity whatsoever.

Holding Cards

22. Holding cards, one for each venue, are to be completed and lodged at the conclusion of each race meeting.

Racing Act 1958 and Regulations

23. Bookmakers must conform at all times with the provisions of the *Racing Act 1958*, and the Regulations made from time to time thereunder and in particular with these Rules and Regulations of the Committee.

Guarantees

Rules of Betting

25. The Victoria Racing Club Rules of Betting for the time being will apply to all bets made.

Improper Conduct

26. Any bookmaker or clerk who, in the opinion of the Committee, is guilty of improper conduct or practice may be removed from the racecourse and be liable to have his or her permit suspended or revoked.

Change of Address

27. Changes of address are to be notified to the Club's Office—PO Box 245, Moonee Ponds, 3039, as soon as possible.

Jockeys and Trainers

28. The Regulations governing Jockeys and Trainers are those from time to time adopted by the Victoria Race Club.

Caterers

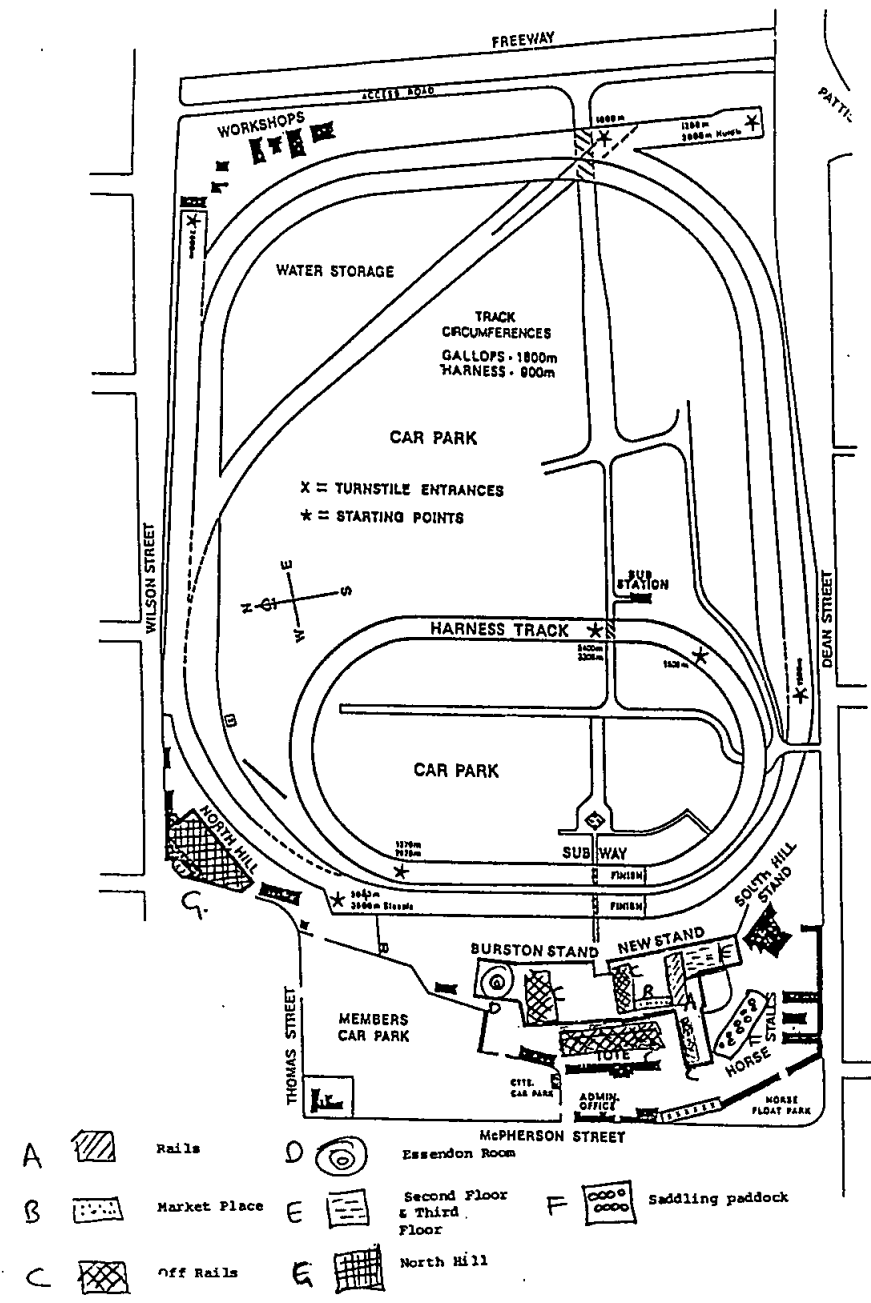

29. No person is to carry on the business or vocation of a caterer on the said racecourse unless he or she is approved by the Committee and permitted to do so.

30. Any person not so approved and permitted who carries on the business of a caterer may be prevented by the Committee from so doing and be removed from the racecourse.

No Other Businesses

31. (1) No person is allowed to carry on any business or vocation other than those hereinbefore provided, on the racecourse without the approval and permission of the Committee.

(2) Any person offending against Regulation 31 (1) may be prevented by the Committee from carrying on the business or vocation and may be removed from the racecourse by any person under the authority of the Committee.
