**Subordinate Legislation Act 1962
PROPOSED NATIONAL PARKS
(AMENDMENT) REGULATIONS 1988 AND
PROPOSED PARK (AMENDMENT)
REGULATIONS 1988**

A Regulatory Impact Statement has been prepared in relation to the proposed National Parks (Amendment) Regulations 1988 and the proposed Park (Amendment) Regulations 1988.

The reason for the proposed Regulations is to bring into effect management controls for the newly established Point Nepean National Park and to make consequential amendments to the regulations which apply to Arthurs Seat Park.

The objectives of the proposed Regulations are—

- (a) to protect park visitors from hazards associated with unexploded ordnance, weapons range use, old structures and sea conditions;
- (b) to ensure there is co-operative and co-ordinated management by the State and Commonwealth Governments for all land within the Point Nepean section of park;
- (c) as far as practicable, to ensure the Point Nepean section of Park is financially self-sufficient, within constraints imposed by other park objectives;
- (d) to maintain existing fees and charges for the Cape Schanck section of the National Park and to increase fees for Arthurs Seat Park.

The Regulatory Impact Statement concludes that the proposed regulations are an essential component of the safety procedures to be implemented prior to the opening of the Point Nepean National Park. The Regulations are the appropriate means of achieving public safety, co-operative management objectives and imposing fees to recover costs incurred through visitor use of both parks.

Copies of the Regulatory Impact Statement and the proposed Regulations may be obtained from Mr F. Forte, Economics Unit, Department of Conservation, Forests and Lands, 5th Floor, 250 Victoria Parade, East Melbourne. (Telephone: 412 4588).

Public comments on the Regulatory Impact Statement and the proposed Regulation are invited. Written submissions will be received at the above address up to 21 days from the date of publication of this notice. All submissions will be treated as public documents.
