#### BOILERS AND PRESSURE VESSELS (STEAM ENGINE STEAM TURBINE DRIVERS AND BOILER ATTENDANTS) REGULATIONS 1988

Notice of Preparation of a Regulatory Impact Statement

In accordance with the provisions of the *Subordinate Legislation Act* 1962, notice is given of the proposal to make regulations to be known as the Boilers and Pressure Vessels (Steam Engine Steam Turbine Drivers and Boiler Attendants) Regulations 1988.

A Regulatory Impact Statement has been prepared as required by the Subordinate Legislation Act.

The objective of the proposed regulations is to provide for the safe operation of boilers and steam engines by ensuring that operators of this equipment have appropriate qualifications and training.

The Statement examines two options of achieving the objective:

Option A (proposed regulations)—prescribes specific qualification and training requirements for different types of certificates for steam engine drivers, steam turbine drivers and boiler attendants.

Option B—gives the Board of Examiners established under the *Boilers and Pressure Vessels Act* 1970 full discretionary power in the granting of certificates.

The Statement concludes that the appropriate course is to make the proposed regulations because the benefits to the community outweigh the potential costs.

Comments on the Regulatory Impact Statement are invited from interested parties.

Copies of Regulatory Impact Statement may be obtained either by writing to Assistant Manager (Policy and Information), Equipment Safety Branch, Department of Labour, Level 9, Nauru House, 80 Collins Street, Melbourne 3000 or by phoning Ms Roxanne Dunlop on (03) 655 6573 or Ms Maria Rance on (03) 655 6565 during business hours.

Written submissions should be sent to the above address by no later than 21 days from the date of publication of this notice.

#### PROPOSED FORESTS (MISCELLANEOUS) REGULATIONS 1988

A Regulatory Impact Statement has been prepared in relation to the proposed Forests (Miscellaneous) Regulations 1988.

Victoria Government Gazette

The Regulations are required to replace existing Regulations, which were revoked on 30 June 1988, by virtue of the sunset provisions of section 3A of the *Subordinate Legislation Act 1962*.

The objective of the Regulations is to make provision for certain matters concerning forests and forest produce. The Regulations prescribe procedures and requirements for selling forest produce by auction or tender, branding of forest produce, unlawfully depasturing cattle and detail offences and penalties.

The Regulatory Impact Statement concludes that the proposed Regulations require the least expenditure and are the most effective means of achieving this objective.

Copies of the Regulatory Impact Statement and the proposed Regulations may be obtained from Mr F. Forte, Economics Unit, Department of Conservation, Forests and Lands, 5th Floor, 250 Victoria Parade, East Melbourne (Telephone: 412 4588).

Public comments on the Regulatory Impact Statement and the proposed Regulations are invited. Written submissions will be received at the above address up to 21 days from the date of publication of this notice. All submissions will be treated as public documents.
