- (i) during the break between shifts in any shift cycle; or

(ii) from a rest day—

the officer shall be deemed to have commenced performing duty when the officer presents for duty as required by the instructions given to the officer.

28. When an officer is recalled to duty from recreation leave the officer shall be deemed to be performing duty during the time necessarily spent in travelling to the place where the officer is required to report for duty, and similarly, upon completion of that duty, during the time necessarily spent in travelling to return to the place from which the officer was recalled. Such officer shall also be entitled to be paid travelling and incidental expenses.

29. *Minimum Period:* An officer who is recalled to duty after the commencement of the break between shifts in any shift cycle shall be paid at the appropriate rate for such overtime prescribed in paragraph 23 (a) - (c) for a minimum of 3 hours. Provided that if the officer is so recalled more than once in the same break, the periods of overtime duty performed shall be added together and treated as one period for the purpose of determining whether the aforesaid minimum period of 3 hours applied.

30. An officer recalled to duty on a rest day shall initially be paid at the appropriate rate prescribed in paragraph 31 from the time the officer commences to perform such duty until the time the officer completes it on that day or the next ensuing day, but in any event for a period of not less than 4 hours.

(b) when an officer performs such duty on any day not referred to in sub-paragraph (a) above the officer shall be paid for the performance of such duty at a rate per hour determined in accordance with the following formula:

$$\frac{\text{Fortnightly Salary}}{76} \times 1\frac{1}{2}$$

32. *Claims for payment:* When an officer is to be paid penalty rates pursuant to the provisions of this Division, the officer will forthwith submit a claim for payment to the Officer in Charge of the Unit in such form and with such particulars as the Chief Commissioner may direct. The officer to whom the claim is forwarded will include such claim in the next fortnightly claims for payment for overtime duty to the Pay Branch.

33. *Records:* The Chief Commissioner may require an officer to keep such records and may require such returns to be furnished as the Chief Commissioner thinks fit for the purpose of giving effect to this Division.

DIVISION 5
Leave
SUB-DIVISION I
Recreation Leave

34. The Chief Commissioner shall at such times as may be convenient grant to every officer leave of absence for recreation for any period not exceeding in the whole 49 days in each year. Such period of 49 days shall be deemed to include 14 rest days.

35. In respect of any calendar year in which an officer is appointed or is discharged or resigns or the appointment is terminated such officer shall be entitled to recreation leave in respect of the service the officer has rendered in that year in accordance with the following formula:

$$\frac{\text{No. of days of service}}{365} \times 49$$

36. In respect of recreation leave an officer shall, for each of the first 4 weeks of such leave, receive 117.5% of the officer's weekly base salary, together with the commuted penalty rate applicable to the officer and for the balance of such leave the officer shall receive the weekly base salary and the commuted penalty rate.

SUB-DIVISION II
Sick Leave

37. Subject to this Sub-Division, the Chief Commissioner may, in case of illness of an officer, grant leave of absence to the officer.

38. In cases of illness of an officer, the conditions under which the Chief Commissioner may grant leave of absence shall be as set out hereunder.

39. The basis for determining the amount which may be granted, when sick leave with pay is approved, shall be ascertained by crediting the officer with the following periods, such sick leave to be cumulative:

On admission to the Protective Services Unit—30 days' leave on full pay.

On completion of 2 years of service, and each year's service thereafter—15 days' leave on full pay.

40. In the case of officers who provide proof of service, including their record of sick leave, in an office of the State of Victoria or of the Commonwealth of Australia or of any other Australian State or in any Government office or with any authority, institution or similar body specified in Regulation 701 of the *Police Regulations 1979*, the basis for determining the amount which may be granted, when sick leave pay is approved, shall be ascertained by crediting the officer with any sick leave standing to the officer's credit which was accumulated under such previous service provided that such service shall yield no greater credit than had the service been in the Unit and shall yield a lesser credit where such service provided a lesser credit.

41. Where the Chief Commissioner is satisfied that the illness of an officer is directly attributable to or is aggravated by service in connection with the warlike operations in Korea after 26 June 1950, or in Malaya after 28 June 1950 or in Vietnam after 31 July 1962, apart from any sick leave which may be standing to the officer's credit, the officer may be granted special sick leave with full pay up to but not exceeding 15 days in the aggregate during any year of service. Such special sick leave shall be cumulative provided that the total of accumulated leave under this provision standing to the credit of the officer shall not at any time exceed 100 days.

42. Notwithstanding the amount of sick leave standing to the credit of any officer, continuous sick leave with pay shall not be granted for any period longer than 52 weeks. Where an officer has had 52 weeks' continuous sick leave with full pay, no further leave with full pay shall be granted until such officer has completed a period of duty of not less than 4 weeks.

43. For each week an officer is absent on sick leave with pay, the amount of sick leave standing to the officer's credit shall be reduced by 5 days.

44. When the period of sick leave granted to an officer with pay does not extend to a week, the officer's appropriate credit shall be reduced by the number of days the officer would have been required to be on duty if the officer had not been absent on sick leave.

45. For the purpose of sick leave under this Sub-Division, a week shall be deemed to be any period of 7 consecutive days, inclusive of a Sunday.

46. For a period exceeding 3 days' absence, an officer must forward a satisfactory certificate, by a legally qualified medical practitioner, that the officer will be incapacitated for a period not exceeding 28 days and setting out the cause of such illness or incapacity. Any extension of such leave may be granted subject to the receipt of a further satisfactory medical certificate to be forwarded with respect to any period of absence.

47. Where the number of days during which an officer is absent through illness in any year of service without a medical certificate exceeds 5 days in the aggregate, the number of days in excess of 5 shall not be granted as sick leave but shall be deducted from his annual recreation leave, or be granted without pay.

48. Where the Chief Commissioner has reason to believe that an officer is in such a state of health as to render the officer a danger to fellow officers, he may require such officer to furnish a report as to the officer's condition from an approved legally qualified medical practitioner, or may require the officer to submit to examination to the Police Medical Officer.

49. Upon receipt of a medical report, the Chief Commissioner may direct the officer to be absent from duty for a specified period, or if already on leave of absence, to continue on leave for a specified period, and any such absence shall be regarded as sick leave.

50. Any officer who is ill may on application attend the Police Hospital for medical examination, and subject to the provisions of paragraphs 43 and 44, officers may receive treatment subject to payment of the fees as fixed by the Governor in Council.

51. The Chief Commissioner may order any officer to attend at the Police Hospital for medical examination, and where such officer so attends under the order of the Chief Commissioner, such medical examination shall be free of charge.

52. Any officer who is ill and unfit for duty shall notify the Officer in Charge of the Unit of the officer's inability to attend for duty and the nature of the ailment. Such notification shall, where practicable, be made half an hour before the time fixed for the commencement of such officer's duty.

53. Where an officer is continuously absent from duty on account of illness beyond a period of 13 weeks, the officer shall not be permitted to resume duty until the Police Medical Officer or some other approved legally qualified medical practitioner has certified that the officer is fit to resume duty.

54. Where an officer is absent on account of sickness, injury or disability which is proved to be simulated, or such absence arises from improper or vicious conduct or excessive indulgence in alcohol or improper or illegal practice, the officer shall not be entitled to sick leave with pay under the provisions of this Sub-Division.

55. Where the Chief Commissioner has doubts as to the cause of illness or the reason for absence he may, before accepting a medical certificate refer such certificate to the Police Medical Officer for report, or order the officer concerned to attend the Police Medical Officer for examination.

56. Any officer who is able and fails to attend the Police Medical Officer when so instructed by the Chief Commissioner shall not be entitled to sick leave with pay under the provisions of this Sub-Division.

57. The Chief Commissioner notwithstanding anything in this Sub-Division, where he is of the opinion that any officer is unfit through the officer's mental or physical condition to continue in the Unit, may direct that such officer be examined by the Government Medical Officer if he is a contributor to the State Employees Retirement Benefit Scheme.

58. For the purpose of sick leave under this Sub-Division "service" means "continuous service", inclusive of any period of absence on leave. In determining at any time the amount of sick leave standing to the credit of an officer who has been absent on leave without pay (other than for the purpose of service with any Naval, Military or Air Expeditionary Force, or the Commonwealth Defence Force) continuously for a period extending beyond 6 months, the portion of such period in excess of 6 months shall not be counted as service.

59. Any officer who is required to render service with the Army Reserve, the Royal Australian Navy Reserve or the Royal Australian Air Force Active Reserve and who, while so serving, sustains injury or contracts illness necessitating absence from duty beyond the period of leave granted by the Chief Commissioner under the provisions of the Police Regulations, may be granted leave on the following terms:

- (a) If compensation is not paid to the officer by the appropriate Commonwealth Department in respect of such absence the leave may be granted as sick leave.
- (b) If compensation is paid and is equal to or exceeds the amount of pay which the officer would have received had he been granted sick leave, the leave shall be granted without pay.
- (c) If compensation is paid, and is less than the amount of pay which the officer would have received had the officer been granted sick leave, the officer may be paid an amount equal to the difference and the officer's sick leave credit reduced as if the officer had been granted sick leave for such number of days as is appropriate to the amount of the difference.

60. (1) If any officer sustains personal injury arising out of or in the course of the discharge of the officer's duty in circumstances which under the *Accident Compensation Act* 1985 or regulations pursuant to that Act make it obligatory upon the Chief Commissioner to notify the Accident Compensation Commission or the State Insurance Commissioner or other approved Claims Administration Agent of that Commission of such injury and the liability to make weekly payments for compensation is admitted by the Accident Compensation Commission or the State Insurance Commissioner or other approved Claims Administration Agent of that Commission or the Accident Compensation Tribunal determines that such payments shall be made in respect of the incapacitation of the injured officer from all duty, such officer shall apart from any sick leave which may be standing to the officer's credit, be granted leave on full pay less the amount paid by way of weekly compensation by the Accident Compensation Commission or the State Insurance Commissioner or other approved Claims Administration Agent of that Commission during the incapacity.

(2) No leave shall be granted under this paragraph in respect of any particular injury or incapacity which is—

- (a) in excess of a continuous period of 52 weeks inclusive of any other leave which may be granted with pay; or
- (b) in excess of an aggregate period of 52 weeks in respect of any particular injury or incapacity.

(3) An officer whose employment is terminated during a period for which leave had been granted under this paragraph shall continue to be paid in accordance with the provisions of sub-paragraph (1) until the cessation of the period of leave which would have been granted had the employment not been terminated.

Provided that such period of payment after termination shall not count for the purposes of accrual of any other leave entitlements nor shall it count as a period of service for any purpose.

(4) An officer who has been granted leave under this determination shall immediately notify the Chief Commissioner in writing of any civil claim for damages instituted by the officer in connection with the injury to which such leave relates.

The Minister for Planning and Environment has prepared amendments to the following planning schemes:

Bendigo Planning Scheme—Amendment No. L2.

Eaglehawk Planning Scheme—Amendment No. L1.

Marong Planning Scheme—Amendment No. L2.

The amendments affect land generally in the City of Bendigo, the Borough of Eaglehawk and the Shires of Marong and Strathfieldsaye, and in particular at Woodvale, Sailors Gully, Caldwell's Road, Golden Gully and Spring Gully Reservoir.

The amendments propose to change the planning schemes by:

Introducing a definition of mineral utilities.

Removing any requirement for permits for mineral prospecting/exploration and mineral utilities provided certain guidelines and conditions are met.

Defining specified areas for mining, mineral treatment and water management where further planning permits are not required and works are in accordance with endorsed plans.
