The services are to be performed upon an order issued by a member of the Victoria Police Force (hereinafter called "the Police") or by a person duly authorised by the State Coroner.

2. *Supply of Service*

2.1 All vehicles and equipment used by the Contractor in performing this Contract shall:

2.2.1 Be suitable and ample to provide a prompt and efficient service.

2.1.2 Be clean and tidy and regularly maintained.

2.1.3 Be fit for the purpose of carrying bodies of deceased persons ("bodies") to mortuaries.

2.1.4 Be of such design and construction that bodies carried therein shall not be exposed to view.

2.2 Upon a request and the issue of an order from the Police the Contractor shall punctually remove a body from the region or area contracted for at any hour and on any day. Should the Contractor fail to attend to the removal of the body punctually after being requested by the Police the removal may be carried out by another person and the Contractor shall be liable to the State for any additional expense incurred by the State over and above that sum which would have been paid to the Contractor carrying out the removal.

2.3 When it becomes necessary to remove a body to a Mortuary and the next of kin present or the legal personal representative of the deceased person makes a request in person to the Police to be allowed to employ the family undertaker to conduct such removal the Police may, at their discretion, accede to such request provided such removal is effected at no cost to the State and is carried out under the supervision of the Police.

2.4 The Contractor shall provide two persons for the purpose of removing a body to a vehicle and from a vehicle to the Mortuary.

2.5 The Contractor shall take all reasonable precautions to prevent offensiveness from decomposition of a body but in no case shall any disinfectant be used without the prior written authority of the medical officer performing the post-mortem examination.

2.6 The Contractor or any person employed by the Contractor shall not use or attempt to use any influence with the relatives or friends of or any other person connected or associated with the deceased person for the purpose of being engaged to conduct the funeral of the deceased.

2.7 In the event of an emergency the Contract shall not be considered breached, infringed or vitiated by the State if a body is removed to a Mortuary by the State or a person other than the Contractor.

2.8 The Contractor and all persons employed by the Contractor shall at all times observe and conform to the highest standards of professional conduct when performing this Contract.

3. *Price*

Subject to the provisions of Clause 4, the Contractor shall be paid the Contract Price for the removal of a body and the Contract Price shall, unless otherwise provided, include all charges incurred in connection with the removal.

4. *Price Variations*

4.1 Where the Contractor has included a provision for a variation in the price, the State Tender Board of Victoria (hereinafter called "the Board") may on application by the Contractor approve a variation in the price.

4.2 Where an application for a variation in the price is approved by the Board the variation shall take effect 14 days from the date of application for approval, provided that where docu-

ments in support of an application for a price variation are not submitted with the application the effective date of the variation shall be 14 days from the date of the submission of satisfactory supporting documents.

4.3 Notwithstanding the foregoing the Board may in its absolute discretion grant or refuse a claim for a price variation in whole or in part.

4.4 The Board may if it sees fit terminate the Contract upon an application for a price variation.

5. *Payment*

5.1 The Contractor shall forward invoices to the Clerk of the local Magistrates Court for verification and transmission for payment.

5.2 Where specific creditor's terms are not positively stated in writing and accepted by the Board the following terms of payment shall apply:

"Settlement of accounts payable is scheduled to occur no later than 30 days after the end of the month in which a correctly rendered invoice is received provided that the goods have been received or services rendered prior to the receipt of the invoice.

Where goods are received or services rendered after a correctly rendered invoice is received, payment will be scheduled to occur no later than 30 days after the end of the month in which the goods were received or the services were rendered."
