ROAD SAFETY (PROCEDURES)
(Defence Personnel Amendment) Regulations
1989

In accordance with the provisions of the
Subordinate Legislation Act 1962, notice is given
of the proposal to make regulations to be known
as the Road Safety (Procedures) (Defence
Personnel Amendment) Regulations 1989.

A regulatory impact statement has been
prepared as required by the Subordinate
Legislation Act.

The objectives of the proposed regulations are
to:

Ensure that Defence Force personnel and
their families are not inconvenienced or
subjected to expense in having to change
their driving licences when they move to
Victoria from another State or Territory;

Minimise administrative costs of issuing
licences and refunding licence fees in the
case of Defence Force personnel;

Put in place a uniform policy agreed by all
States on these matters.

The proposed regulations will ensure that
Defence Force personnel and their dependants
who have a driver licence issued in their former
State or Territory of residence are able to drive
legally in Victoria until that licence falls due for
renewal.

Comments and submissions are invited from
interested parties.

Copies of the regulatory impact statement may
be obtained either by writing to the Legislation
Officer, Roads Corporation, P.O. Box 119,
Carlton South 3053 or by phoning Mrs Rose
Ferna on 345 4047.

Any enquiries regarding the content of the
statement should be directed to Mr N. Deckker
on 345 4472.

The closing date for submissions is 21 days

PROSTITUTION (ADVERTISING)
REGULATIONS 1989

It is proposed to make regulations under the *Prostitution Regulation Act 1986*. The regulations will prescribe restrictions on the size, form and content of prostitution advertisements. Such restrictions were recommended by the Inquiry into Prostitution headed by Professor Marcia Neave.

A Regulatory Impact Statement on the proposed regulations has been prepared in accordance with the requirements of the Subordinate Legislation Act. The Statement concludes that the only way to effectively regulate the size, form and content of prostitution advertisements is to prescribe mandatory requirements. The financial cost of the new requirements is considered to be outweighed by the social benefits derived from the requirements.

A copy of the Regulatory Impact Statement may be obtained from the Policy and Research Division of the Attorney-General's Department, Level 21, 200 Queen Street, Melbourne. Comments and submissions from the public will be received up to 21 days from the date of this advertisement.
