I would therefore not propose to refer the matter to a Division of the Local Government Commission which is the alternate course provided for in the Act.

Detailed maps showing the resubdivision proposal are available for public inspection at the office of the Minister for Local Government and the Municipal Offices of the Shire of Cohuna and any person wishing to make any submissions or other representations about the proposal or the manner in which it is proposed to implement it, may do so in writing to the undersigned within one month of the publication of this notice.
