## SPECIAL CONDITIONS OF CONTRACT

All Stores supplied under the Contract must be accompanied by a Laboratory Test Certificate, from a National Association of Testing Authorities (NATA) Laboratory bearing NATA endorsement, certifying that the stores have been tested and comply with the specifications. Where stores supplied under the Contract are imported as the formulated material a certificate of quality issued by the manufacturer will be acceptable subject to approval being obtained from the State Tender Board.

Except as otherwise stipulated in the sub—schedules—all containers shall comply with all regulations pertaining to transport by rail or road.

If, during the course of the Contract, the quality of the chemical is not considered by the Purchaser as being of the standard accepted, such chemical may at any time be subjected to analysis and, if found to be inferior in quality to the accepted product, will be rejected, the cost of such analysis to be borne by the Contractor.

Products shall be registered under the *Agricultural Chemicals Act 1958* prior to any purchase. Each container, shall, in addition to the requirements of that Act and other legislation, bear a Batch or Reference Number.

Where required, all containers shall be labelled durably and legibly in accordance with the requirements of the *Agricultural Chemicals Act 1958* and also the *Drugs, Poisons and Controlled Substances Regulations 1985* made under the *Drugs, Poisons and Controlled Substances Act 1981* and comply with any standard proclaimed under the Act.

The Contractor shall supply, upon Request by the Purchaser 'Material Safety Data Sheets' for those products supplied under this contract.
