REGULATORY IMPACT STATEMENT

1. Objectives and Results of Amendment.

Amendment 9 is made up of two separate parts dealing with the following matters:

A. Dwellings in Bush Fire Risk Areas

To prescribe regulations to provide standards of construction for new dwellings in areas of bush fire risk to ensure the safety of the public and the occupants of the building in the event of a bush fire.

The statement assesses the impact of the proposed regulations as being improved protection and safety which will allow people to remain longer with properties and fight fires.

B. Building Safety Infringements and Closure of Assembly Buildings

These regulations define the authorised officer and offences together with the penalties to be applied for the imposition of on the spot fines for failure to ensure that systems associated with health and safety in a building are operational and to close an assembly building immediately should the building constitute a hazard in the case of fire.

The statement assesses the main impact as being an increased awareness of the

safety requirements in buildings by owners and occupiers and an increased effectiveness of the policing of these requirements by the municipal building surveyor.

2. A copy of the regulatory impact statements which include the proposed amendments to the Victoria Building Regulations are available from the Building Control Division, 4th Floor, 477 Collins Street, Melbourne 3000, telephone 628 5432.

CITY OF CAMBERWELL

Proposal to make a Local Law

Proposed City of Camberwell (Health—
Brothels) Local Law 1990—No. 2 of 1990

Under the *Local Government Act* 1989, and in particular section 111 of that Act, the Council of the City of Camberwell is empowered to make local laws for or with respect to any act, matter or thing in respect of which the Council has a function or power under any act. Before making a local law the Council must comply with the procedure set out in section 119 of that Act.

Notice is hereby given that the Council of the City of Camberwell proposes to make a local law to be entitled the City of Camberwell (Health—Brothels) Local Law 1990.

A copy of the proposed City of Camberwell (Health—Brothels) Local Law 1990 can be obtained from the Council Office, Inglesby Road, Camberwell, between the hours of 8.30 a.m. and 5.00 p.m. Monday to Friday (public holidays excluded).

The proposed City of Camberwell (Health—Brothels) Local Law 1990, if made, will require that any brothel which operates in the municipal district of the City of Camberwell have a permit issued under this local law. In considering whether to approve an application for a permit the Council will be required to have regard to enumerated criteria relating to health, possible transmission of infectious disease, and other considerations related to medical examinations, provision of information about infectious diseases and cleanliness.

A brothel which operates within the municipality (whether or not a permit has been issued under the local law) will be required to maintain a register of prostitutes who work at the brothel and to display a health warning notice in the prescribed form. There must also be a supply of approved condoms maintained, and there will be an offence of owning, managing or being concerned in the management of a brothel if sexual penetration takes place at the brothel without a conforming condom being used.

In addition to these mandatory requirements the Council may impose other conditions in any permit issued under the local law. In imposing conditions the Council must have regard to the criteria set out in the local law.

A permit is to be in force for a period of one year.

The objectives and purposes of this proposed local law are, insofar as not inconsistent with any Act or regulation—

- (a) to provide for the peace, order and good government of the municipal district of the City of Camberwell; and

- (b) to control activities associated with the operation of brothels for the purpose of protecting the public health and the health of prostitutes and of persons who resort to prostitutes; and
- (c) without limiting the generality of paragraph (b), to limit the spread of sexually transmitted diseases; and
- (d) to regulate and control sanitary and waste handling practices at brothels; and
- (e) to draw to the attention of the public and particularly of persons who resort to brothels the health hazards that may be associated with such practices.

The general purport of the local law (if made) will be as follows—

1. Creating an offence of owning managing or operating or being concerned in the management of an unlicensed brothel. A penalty of 20 penalty units and a further daily penalty of 2 penalty units will apply.

2. The issuing of a permit under the local law will not authorise a person to engage in any activity which would be unlawful if the local law had not been made.

3. A person will be able to apply to the Council for a permit for a brothel by lodging an application in or to the effect of the form in the schedule to the local law. A fee of \$50 will apply for an application or such other amount as the Council by resolution may determine.

4. On receiving an application for a permit the Council must consider whether or not to approve it. In considering whether or not to grant a permit the Council must have regard to the criteria set out in the local law. The criteria relate to the design, condition and operation methods of the brothel to the extent that those features are likely to affect the health of prostitutes, persons who resort to prostitutes and other persons; measures to be taken relating to possible transmission of sexually transmitted diseases; methods and facilities for storage and handling of infectious waste, including used condoms; the measures to be taken in relation to the use and disinfecting of communal bathing facilities; measures, including medical examination, to be taken to ensure that prostitutes who operate at the brothel are not infected with a sexually transmitted disease; measures to be taken to convey information about infectious diseases to prostitutes and clients; measures to be taken for the provision and laundering of linen and towels; and arrangements to be made for the cleaning of the rooms within the brothel.

5. If the Council approves an application it must issue a permit to the applicant. A fee of \$50 or such other amount as the Council by resolution determines applies for the issuing of a permit.

6. A permit may be issued subject to conditions. In considering whether to impose conditions the Council must consider whether the conditions would (if complied with) help to achieve the objectives of the local law having regard to the criteria enumerated in relation to the issuing of permits.

7. It is to be an offence for a permit holder to fail to comply with each condition of the permit. A penalty of 20 penalty units will apply.

8. A permit is to be in force for a period of one year.

9. The Council will be empowered to cancel a permit if satisfied that there has been a serious or ongoing breach of a permit condition or offence against any law, such offence being directly associated with the brothel and being committed by or with connivance of the permit holder or an owner or manager of the brothel.

10. There will be a requirement for every premises at which a person or persons engage in prostitution to maintain a register of prostitutes which records details of prostitutes who currently work at the premises or who have worked there during the preceding six months.

11. A penalty of 5 penalty units is specified for the offence of being a person who owns, manages or is concerned in the management of a brothel at which a register of prostitutes is not maintained. A person for the time being in charge of such premises must produce the register on demand to an authorised officer. A penalty of 5 penalty units is specified for failure to produce the register as required.

12. At each brothel a warning notice will be required. The proposed local law sets out the wording of this mandatory notice. The notice warns about the risk of contracting disease at the brothel and indicates that the issue of any permit by the City of Camberwell does not indicate approval for the brothel or any aspect of its operation.

13. A penalty of 5 penalty units is specified for the offence of owning managing or being concerned in the management of a brothel at which the required warning notice is not displayed.

14. The local law will require that at a brothel a supply of conforming condoms be maintained. If sexual penetration takes place at the brothel without a conforming condom being used or if a supply of conforming condoms is not maintained then any person who owns, manages or is concerned in the management of the brothel is guilty of an offence. A penalty of 20 penalty units applies. A condom is a conforming condom if it is registered by Health Department Victoria for sale in Victoria.

CITY OF CAMBERWELL

Proposal to make a Local Law

Proposed City of Camberwell (Control of Sexually Transmitted Diseases) Local Law 1990—No. 1 of 1990

Under the *Local Government Act 1989*, and in particular section 111 of that Act, the Council of the City of Camberwell is empowered to make local laws for or with respect to any act, matter or thing in respect of which the Council has a function or power under any Act. Before making a local law the Council must comply with the procedure set out in section 119 of that Act.

Notice is hereby given that the Council of the City of Camberwell proposes to make a local law to be entitled the City of Camberwell (Control of Sexually Transmitted Diseases) Local Law 1990.

A copy of the proposed City of Camberwell (Control of Sexually Transmitted Diseases) Local Law 1990 can be obtained from the Council Office, Inglesby Road, Camberwell, between the hours of 8.30 a.m. and 5.00 p.m. Monday to Friday (public holidays excluded).

The proposed City of Camberwell (Control of Sexually Transmitted Diseases) Local Law 1990, if made, will require that any person who engages in prostitution within the City of Camberwell be registered by the Council in accordance with the local law.

In considering whether to approve an application for registration the Council will be required to have regard to enumerated criteria relating to the transmission of sexually transmitted diseases. Penalties will apply for prostitutes and their employers (if any) if the registration requirement is not observed.

The objectives and purposes of this proposed local law are, insofar as not inconsistent with any Act or regulation—

- (a) to provide for the peace, order and good government of the municipal district of the City of Camberwell; and
- (b) to control the activities of prostitutes within the municipality for the purpose of protecting the public health and the health of prostitutes and of persons who resort to prostitutes; and
- (c) to limit the spread of sexually transmitted diseases; and
- (d) to limit the risk of prostitutes contracting and spreading sexually transmitted diseases.

The general purport of the local law (if made) will be as follows—

1. Creating offences of engaging in prostitution without being a registered prostitute and of owning, managing or being concerned in the management of premises at which a person engages in prostitution without being a registered prostitute. A penalty of 20 penalty units is specified.

2. Registration as a prostitute for the purposes of the local law will not authorise a person to engage in any activity which would be unlawful if the local law had not been made.

3. A person will be able to apply to the Council for registration as a prostitute by lodging an application in or to the effect of the form in the schedule to the local law. A fee of \$50 will apply for an application or such other amount as the

Council by resolution may determine. An application must be accompanied by a birth certificate or other similar document which the Council accepts instead of a birth certificate; documentary evidence of any change of name; and a medical certificate and hepatitis B certificate both of which meet the requirements of the local law. The medical certificate must be not more than 2 weeks old and must state that the applicant has undergone examination for sexually transmitted diseases and state the result of the examination. The hepatitis B certificate must state that the medical practitioner who signs it has carried out tests which show satisfactory immunity or has successfully vaccinated the applicant, and must be lodged not more than 1 month after the completion of the tests or vaccination and tests.

4. On receiving an application for registration the Council must consider whether or not to approve it. In considering whether or not to approve it the Council must have regard to the criteria set out in the local law. The criteria relate to whether the applicant is free from sexually transmitted disease and the adequacy of any preventative measures taken by the applicant to prevent the transmission of sexually transmitted disease.

5. If the Council approves an application it must issue a certificate of registration. A fee of \$50 or such other amount as the Council by resolution determines applies for issuing a certificate of registration.

6. A prostitute will be required to produce a certificate of registration to an authorised officer on demand. There will be an obligation on a registered prostitute to return to the Council the certificate if there is a change to the person's name or residential address as set out on the certificate to enable the change to be noted. A penalty of 2 penalty units is specified for each of these offences.

7. A registered prostitute will be required to undergo medical examination for sexually transmitted diseases at least monthly. A penalty of 2 penalty units (first offence) or 4 penalty units (second or subsequent offence) is specified for failure to do so. A certificate must then be provided to the Council within 6 weeks after attendance indicating the result of the examination. A penalty of 1 penalty unit (first offence) or 2 penalty units (second or subsequent offence) applies for a failure to do so.

8. The Council will be empowered to cancel a person's registration if it is satisfied that the person has failed to supply a required certificate or is infected with a sexually transmitted disease.

762 G 11 14 March 1990

Any person affected by the proposed local law may make a submission relating to it under section 223 of the *Local Government Act 1989*. Any submission received by the Council within 14 days after the publication of this notice will be considered in accordance with section 233.

Submissions must be received by Council no later than Wednesday, 28 March 1990.

If you make a written submission you should state whether you wish to be heard in support of your submission. If you wish to be heard in support of your submission you will be entitled to appear in person or by a person acting on your behalf.

Council has determined that the Finance, Administration and Community Services Committee of the Council will consider any written submission which is received by the Council within the specified time in accordance with section 223 of the *Local Government Act*, and that that Committee will hear any persons who may wish to be heard in support of their written submission. The Council has fixed Monday, 2 April 1990 at 8.00 p.m. in Committee Room No. 3, Civic Centre, Inglesby Road, Camberwell as the day, time and place of the meeting at which this consideration will take place.

Proposed City of Camberwell (Prostitution Regulation) Local Law 1990—Number 4 of 1990

Under the *Local Government Act 1989*, and in particular section 111 of that Act, the Council of the City of Camberwell is empowered to make local laws for or with respect to any act, matter or thing in respect of which the Council has a function or power under any act. Before making a local law the Council must comply with the procedure set out in section 119 of that Act.

Victoria Government Gazette

Notice is hereby given that the Council of the City of Camberwell proposes to make a local law to be entitled the City of Camberwell (Prostitution Regulation) Local Law 1990.

A copy of the proposed City of Camberwell (Prostitution Regulation) Local Law 1990 can be obtained from the Council Office, Inglesby Road, Camberwell, between the hours of 8.30 a.m. and 5.00 p.m., Monday to Friday (public holidays excluded).

The proposed City of Camberwell (Prostitution Regulation) Local Law 1990, if made, will substantially enact within the municipal district of the City of Camberwell the matters which would be provided for if sections 11, 13 (1) and (3) and 14 (1) of the *Prostitution Regulation Act 1986* were proclaimed to come into operation. If made, the local law will create an offence of forcing a person to provide financial support out of prostitution; permitting a prostitute infected with a disease to work in a brothel or other business providing prostitution services; and of publishing or causing to be published an advertisement for prostitution services that describes the prostitution services offered.

The objectives and purposes of this proposed local law are, insofar as not inconsistent with any act or regulation—

- (a) to provide for the peace, order and good government of the municipal district of the City of Camberwell; and

- (c) in the municipal district of the City of Camberwell—
 - (i) to protect adult prostitutes from violence and intimidation; and
 - (ii) to protect the health of the community; and
 - (iii) to establish adequate controls over the operators and managers of brothels.

The general purport of the local law (if made) will be as follows—

1. To create an offence (penalty: 20 penalty units) which would be committed by a person who, with intent to induce another person aged 18 or more to provide or continue to provide him or her with payment or payments derived, directly or indirectly, from acts of prostitution taken part in by that person, assaults or threatens to assault a person or intimidates a person or supplies drugs of dependence to a person.

Victoria Government Gazette

2. Creating an offence (penalty: 20 penalty units) of managing or carrying on the business of operating a brothel or other place or business that provides prostitution services and knowingly permitting a prostitute to work whilst infected with a sexually transmitted disease.

3. Creating an offence (penalty: 20 penalty units) of being a person who works as a prostitute knowing that he or she is infected with a sexually transmitted disease. For the purposes of that offence "infected" includes being a carrier.

4. Creating an offence (penalty: 20 penalty units) of publishing or causing to be published an advertisement for prostitution services that describes the prostitution services offered.

Any person affected by the proposed local law may make a submission relating to it under section 223 of the *Local Government Act* 1989. Any submission received by the Council within 14 days after the publication of this notice will be considered.

Submissions must be received by Council no later than Wednesday, 28 March 1990.

If you make a written submission you should clearly state whether you wish to be heard in support of your submission.

Proposed City of Camberwell (Brothels—
Insurance Against Liability) Local Law 1990—
Number 3 of 1990

Under the *Local Government Act* 1989, and in particular section 111 of that Act, the Council of the City of Camberwell is empowered to make local laws for or with respect to any act, matter or thing in respect of which the Council has a function or power under any act. Before making a local law the Council must comply with the procedure set out in section 19 of that Act.

Notice is hereby given that the Council of the City of Camberwell proposes to make a local law to be entitled the City of Camberwell (Brothels—Insurance Against Liability) Local Law 1990.

A copy of the proposed City of Camberwell (Brothels—Insurance Against Liability) Local Law 1990 can be obtained from the Council Office, Inglesby Road, Camberwell, between the hours of 8.30 a.m. and 5.00 p.m. Monday to Friday (public holidays excluded).

The proposed City of Camberwell (Brothels—Insurance Against Liability) Local Law 1990, if made, will require that any person who owns, manages or is concerned in the management of a brothel is adequately insured against liability for damages he or she may incur to any person who contracts illness or suffers loss or damage as the result of engaging in sexual activity at the brothel.

The local law will require that a policy of insurance be in force in relation to any brothel. Such a policy must be with an approved insurer, be approved by the Council and provide indemnity of not less than \$1 000 000. Criteria are specified for the Council's approvals.

The objectives and purposes of this proposed local law are, insofar as not inconsistent with any Act or regulation—

- (a) to provide for the peace order and good government of the municipal district of the City of Camberwell; and

764 G 11 14 March 1990

as the result of engaging in sexual activity at the brothel.

The general purport of the local law (if made) will be as follows:

1. Providing that a person who owns manages or is concerned in the management of a brothel is guilty of an offence (penalty: 20 penalty units) if a policy of insurance which complies with the local law is not in force.

2. The local law specifies what is required for a policy of insurance to comply with the local law. Such a policy must:

(a) be with a person approved by the Council; and

(b) (together with the proposal for the policy) be approved by the Council; and

(c) indemnify the person who owns manages or operates or is concerned in the management of the brothel against all liability for damages that he or she may incur to any person who contracts illness or disease, or who suffers loss and or damage as a result of engaging in sexual activity at the brothel; and

(d) provide indemnity of not less than \$1 000 000 in respect of each claim.

3. Criteria are set out for the Council's decision whether to approve and insurer and a proposal and policy. In deciding whether to approve an insurer the Council must have regard to whether the person is an authorised insurer and to the person's solvency and commercial reputation. In deciding whether to approve a proposal and policy the Council must have regard to whether the policy covers all possible claims arising from the existence and operation of the brothel including claims for injury or disease resulting from sexual activity at the brothel and also whether full disclosure has been made to the insurer.

4. The policy must be lodged with the Council within 30 days after it comes into force (penalty: 5 penalty units). The Council is then to return it within 7 days.

Any person affected by the proposed local law may make a submission relating to it under section 223 of the *Local Government Act 1989*. Any submission received by the Council within 14 days after the publication of this notice will be considered in accordance with section 223.

Submissions must be received by Council no later than Wednesday, 28 March 1990.
