EXEMPTION

Application No. 19 of 1990

On 19 October 1990 the Equal Opportunity Board considered an application pursuant to section 40 (1) of the *Equal Opportunity Act 1984* ("the Act") by Northern Metropolitan College of TAFE to enable the College to advertise for women to fill two teaching positions in Language Studies based at the Migrant Women's Learning Centre, Collingwood Campus.

Upon reading the material in support of the application, the Board is satisfied that it is appropriate to grant an exemption from sections 21 and 59 of the Act.

In granting the exemption the Board noted that—

1. the major objective of The Migrant Women's Learning Centre is to empower migrant women with the English language and marketable skills which will enable them to participate more fully in Australian life and compete in the labour market;

2. most of the cultural groups who use the centre represent traditions where men and women group themselves separately in recreational, domestic or work situations and, for Muslim women in particular, their tradition prohibits studying in groups with men;

3. the student population has included over thirty different national backgrounds with previous education ranges from none at all to post-graduate and their ability to gain employment is affected by inadequate English language skills.

The Board hereby grants an exemption from the operation of sections 21 and 59 of the *Equal Opportunity Act 1984* to enable Northern Metropolitan College of TAFE to advertise for women to fill two teaching positions in Language Studies based at the Migrant Women's Learning Centre, Collingwood Campus, this exemption to remain in force until 19 October 1993.
