## GOVERNMENT NOTICES

### REGULATIONS

#### Morrison's Valley Reserve

I, Steven Marshall Crabb, Her Majesty's Minister for Conservation and Environment for the State of Victoria, under the powers conferred on me by section 13 of the *Crown Land (Reserves) Act 1978*, do hereby make the following Regulations for or with respect to the Crown land being Crown Allotment 64G, no Section and Crown Allotment 8A, Section C, Parish of Borhoneyghurk, temporarily reserved for Public Recreation by Order in Council of 24 July 1990, together with portion of the frontage to Moorabool River in the Parish of Borhoneyghurk permanently reserved for Public Purposes (*Government Gazette*, 1881 page 1389) as indicated outlined green on aerial photograph marked "B/23.7.84" attached to Department of Conservation and Environment Correspondence No. Rs 14193 and hereinafter referred to as the "Reserve".

The Reserve has been placed under the control of a Committee of Management (hereinafter referred to as the "Committee") with full power and authority to enforce these Regulations.

#### Regulations

1. The Reserve shall be open to the public at all times free of charge, except such portion or portions thereof as may be set aside by the Committee for a specific use or uses consistent with the purposes of the reservations.

2. No person shall enter upon any portion or portions of the Reserve set aside as hereinbefore provided without first paying a fee or fees as may be deemed reasonable by the Committee.

3. No person shall enter or remain in the Reserve who may offend against decency as regards dress, language or conduct.

4. No person shall bring or sell or distribute in the Reserve any intoxicating liquor unless authorised in writing by the Committee and holding a licence or permit as required pursuant to the provisions of the Liquor Control Act and then only in such place or places, or portion of the Reserve as may be set apart for any purpose by the Committee.

5. No person shall damage or remove any trees, shrubs or flowers in the Reserve, nor shall any person, unless first authorised by the Committee, enter any portion of the Reserve that has been set aside for the planting of any young trees, shrubs or flowers.

6. No person shall climb or jump over gates or fences in or around the Reserve, stick bills thereon, or cut names on or in any way damage

or injure any of the buildings, gates, fences or seats in the Reserve.

7. No person shall light any fires in the Reserve except in any place or places which may be provided for the purpose by the Committee, nor throw down or drop any lighted tobacco, cigarette, cigar or match, or any other burning material or thing within the Reserve.

8. No person shall bring into, cause or permit any cattle, sheep, goats, pigs or other animals to enter the Reserve without the permission of the Committee being first obtained otherwise the same may be impounded by the Committee, and all dogs and horses must be at all times under the control of a responsible person.

9. No person shall organise, play, practice or engage in any public entertainment, game or sport in the Reserve nor erect any structure thereon without the consent in writing of the Committee first obtained and then only subject to such terms, fees and conditions as may be fixed by the Committee and deemed to be reasonable and consistent with these Regulations.

10. No person shall take part in any public entertainment of any sort in the Reserve except as hereinbefore provided and all applications for the use of the Reserve for a purpose consistent with the purposes of the reservations must be lodged in writing with the Secretary of the Committee fourteen (14) days before the Reserve is required.

11. No person shall on any portion of the Reserve cause or permit any outcry, sound or noise to be emitted from an amplifier, loud speaker, public address system or like instrument without first obtaining the written permission of the Committee, and such permission may be granted subject to such terms, conditions and restrictions as may be imposed by the Committee.

12. No person shall sell or offer for sale in the Reserve any article or any commodity whatsoever without the consent of the Committee first obtained.

13. No person shall dig or remove any sand, soil, stone or other material from the Reserve.

14. No person shall deposit or leave any bottles, glass, tin can, waste paper, garbage or litter of any kind in the Reserve except in a receptacle provided for that purpose by the Committee.

15. No person shall camp in the Reserve or bring a caravan thereon without the consent in writing of the Committee and then only subject to such terms, fees and conditions as may be fixed by the Committee and deemed to be reasonable and consistent with these Regulations.

16. No person shall ride a horse, bicycle or motor cycle or drive a motor vehicle or any other vehicle within the Reserve recklessly or in a manner which is dangerous to the public, having regard to all the circumstances of the case, or on any area other than set aside by the Committee for the particular purpose.

17. No person shall carry or discharge any firearm or air gun in the Reserve, nor carry or possess or bring into the Reserve any traps, poisons, nets, snares or any weapon capable of discharging a missile.

18. No person shall park any motor vehicle or any other vehicle in the Reserve except at such place or places set apart for the purpose by the Committee.

19. No person shall commit any nuisance in the Reserve.

20. Any person who offends against any of these Regulations in any respect shall leave the Reserve forthwith when so requested by any member or duly authorised officer of the Committee, a member of the Police Force or an authorised officer appointed under the *Conservation, Forests and Lands Act 1987*.

21. The Committee may appoint persons authorised to enforce these Regulations—(Rs 14193).

Dated 26 November 1990

S. M. CRABB  
Minister for Conservation and Environment

Every person who contravenes or fails to comply with these Regulations shall be liable to the penalties prescribed in section 13 of the *Crown Land (Reserves) Act 1978*. 20090

#### REGULATIONS—TATI TATI FLORA AND FAUNA RESERVE

I, Steven Marshall Crabb, Her Majesty's Minister for Conservation and Environment in and for the State of Victoria, in pursuance of the powers conferred on me by section 13 of the *Crown Land (Reserves) Act 1978*, do hereby make the following regulations for or with respect to the land being Crown Allotment 42, Parish of Manangatang permanently reserved as a site for the preservation of species of native plants and management of wildlife by Order in Council of 1 February 1989 (see *Victoria Government Gazette* of 8 February 1989) (hereinafter referred to as the "Reserve").

EXEMPTION

Application No. 21 of 1990

On 30 November 1990 the Equal Opportunity Board considered an application pursuant to section 40 (1) of the *Equal Opportunity Act 1984* ("the Act") by the Fitzroy Community Health

G 48 5 December 1990 3639

Centre to enable it to advertise for and employ a female medical practitioner.

Upon reading the material in support of the application, the Board is satisfied that it is appropriate to grant an exemption from sections 21 and 59 of the Act.

In granting the exemption the Board noted—  
the Centre provides an extensive women's health program and that seventy-five per cent of clients are female;

many clients of the Centre are from diverse ethnic origins who request the services of a female doctor;

the Centre is also used by women who have experienced sexual assault or domestic violence and request a female doctor.

The Board hereby grants an exemption to the Fitzroy Community Health Centre from the operation of sections 21 (1) and 59 of the *Equal Opportunity Act 1984*, this exemption to remain in force until 30 November 1993.

*Extractive Industries Act 1966, Section 16B*  
DEPARTMENT OF INDUSTRY AND  
ECONOMIC PLANNING

Pursuant to section 16B of the Extractive Industries Act the following conditions have been substituted for any previous conditions of Extractive Industry Licences Nos. 44 and 1322, Pioneer Concrete P/L of Talbot Avenue, South Oakleigh.

CONDITIONS

E.I. LICENCE Nos. 44 and 1322

1 PLANS AND PROPOSALS

1.1 The licensee shall, subject to the following conditions, operate the quarry in accordance with the Approved Working Plan B-338-OK dated 23 June 1985 and B-339-OK dated 28 September 1988 and the Approved Working Proposal. No approved procedures shall be varied without the prior approval of the Minister.

1.2 Within 60 days of being so requested in writing by the Director-General for Industry Technology and Economic Planning the licensee is to submit a Revised Working Plan based on the situation prevailing in the quarry at the time the plan is prepared and incorporating requirements of the compliance with the conditions of the licence. A report shall accompany the plan to qualify any situation which cannot be illustrated.

1.3 To provide within one month a proposed production program on an annual basis for material to be produced from the licensed area and for material brought onto the licensed area for processing.

1.4 Except for the area referred to in Condition 9.2 where sand extraction from the licensed areas shall cease no later than than 31 October.

2 FENCING

2.1 The licensed areas are to be enclosed with a 1.8 metre high chain mesh fence. Gates of similar standard to the fence shall be constructed and kept locked when the quarry is not in operation. Fencing shall be completed and maintained during the term of the licence to the satisfaction of an Inspector of Mines and Quarries (hereinafter referred to as an Inspector).

2.2 Common boundaries between adjacent land held under extractive industries title by the licensee need not be fenced.

2.3 When the site is not attended all gates shall be securely locked and site subject to regular surveillance.

3 ACCESS ROAD

3.1 The access and internal roads are to be sited as shown on the Approved Working Plan and are to be graded drained and maintained to the satisfaction of an Inspector. Where in the opinion of an Inspector the dust nuisance arising from the roads cannot be adequately controlled by the use of water sprays/tankers the Inspector may direct that the roads be surface treated with gravel or other approved material. This work shall be undertaken in accordance with any instructions including time limits as may be issued by an Inspector.

3.2 Adequate measures must be taken to ensure that mud and clay are not deposited on public roads from the wheels and undercarriage of vehicles leaving the licensed area. If so directed by an Inspector a wheel-cleaning device shall be constructed and maintained in an operable condition to the satisfaction of an Inspector in consultation with the City Engineer, City of Oakleigh (hereinafter referred to as the City Engineer).

#### 4 PARKING AREAS

Parking areas are to be provided within the licensed area for all vehicles used in connection with the operation including private vehicles used by employees and visitors. The parking areas are to be properly formed, drained, sealed, surface treated with crushed rock or other approved material and maintained to the satisfaction of an Inspector.

#### 5 PLANT AREAS

Areas under and around the plant, storage and stockpile areas which are traversed by road haulage vehicles are to be properly formed, drained, sealed, surface treated with crushed rock or other approved material and maintained to the satisfaction of an Inspector.

#### 6 SPILLAGE

Good truck loading techniques are to be employed so as to ensure extracted material from the site is not spilled onto public roads. The clean-up of any material spilled on public roads within 200 m of any vehicle entrance to the licensed area shall be the responsibility of the licensee.

#### 7 BUILDINGS AND LIGHTING

7.1 No fixed plant or buildings other than those shown on the Approved Working Plan are to be constructed on the site without the prior written approval of the Chief Inspector of Quarries in consultation with the City Engineer.

7.2 Any security lights shall be sited and/or baffled so that light does not spill beyond the boundaries of the site and cause a nuisance.

#### 8 DERELICT AND REDUNDANT PLANT

8.1 All derelict and redundant plant, vehicles, machinery and equipment and any waste material shall be either—

removed from the site; or

properly stored/stockpiled on the site in a location and manner approved by an Inspector.

8.2 The site shall be maintained in a clean and tidy condition to the satisfaction of an Inspector and the City Engineer.

#### 9 BUFFER ZONES AND VISUAL SCREENING

9.1 No extraction shall take place and no plant or product stockpiles are to be located within—  
50 metres of the licence boundary along Centre Road except as provided in Condition 9.2 of this Schedule

26 metres of the eastern boundary adjacent to Talbot Park

20 metres of any other boundary.

Provided that common boundaries with adjacent land held under extractive industry title by the licensee may be completely extracted.

9.2 Extraction may take place within a distance of 36 m and 50 m of the southern boundary along Centre Road and 100 m of the eastern boundary adjoining Talbot Road during the period ending 31 March 1990 subject to—

- (i) a licensed surveyor establishing the limits above and marking them on the ground as required by Condition 10 of this Schedule within one month. A copy of the plan to be provided to the City Engineer and the Inspector.
- (ii) the City Engineer and Inspector may require extraction to cease at an earlier time if they believe on reasonable grounds the stability of buildings constructed on or being constructed on the neighbouring land is or is likely to be impaired.

9.3 The licensee shall submit a landscaping plan and program relating to the construction, treatment, planting and maintenance of bund walls and perimeter areas within two months, for approval by the Inspector and the Council of the City of Oakleigh. Such plan and program shall provide for, inter alia, the establishment of a landscaped buffer zone along the eastern boundary adjacent to Talbot Park. Landscaping is to be completed within twelve months of the approval by the Council of the City of Oakleigh.

9.4 The landscaping program referred to in Condition 9.3 of this Schedule shall include proposals for the revegetation of the area to the west of that for which extraction is allowed up until 31 December 1990 and referred to in Condition 9.2 of this Schedule. Planting of this area is to take place within three months.

9.5 Existing vegetation in the buffer zones shall be preserved and maintained. Where directed in writing by an Inspector existing vegetation shall be supplemented by additional planting to provide a screen for extractive operations. In issuing directives under this condition the Inspector shall consult with the City Engineer.

9.6 Buffer zones shall be maintained in a neat and tidy condition throughout the term of the licence to the satisfaction of an Inspector and the City Engineer.

#### 10 EXTRACTIVE LIMITS

10.1 Squared wooden posts 80 mm × 80 mm and painted yellow are to be erected and maintained throughout the term of the licence to stand not less than 0.75 metres in height at intervals of not more than 50 metres on the final approved limits of extraction as shown on Approved Working Plan.

10.2 No extraction shall take place outside those limits.

## 11 SOIL RETENTION

11.1 All soil including leaf litter and grasses to a depth of 150 mm from natural surface is to be retained for reclamation purposes.

11.2 Any soil not immediately used for reclamation of the licensed areas is to be stored in neat and tidy dumps not exceeding 3 metres in height and protected from erosion by planting with grasses and provision of drainage to the satisfaction of an Inspector and City Engineer.

## 12 OVERBURDEN DUMPS

12.1 All sterile overburden and waste material retained on site and not immediately used for reclamation shall be placed in distinct and tidy dumps not exceeding 3 metres in height and kept separate from dumps created under Condition 11 of this Schedule.

12.2 Overburden dumps shall be graded, drained and vegetated to prevent erosion.

## 13 DRAINAGE

13.1 Any water which may result from extractive and allied operations and which is discharged from the licensed area must be free from pollutants to the satisfaction of the EPA. Settling dams, as shown on the Approved Working Plan and such other measures as an Inspector may direct shall be utilised to ensure that any water discharged is of standard acceptable to an Inspector. Additionally any water discharged from the licensed area shall be directed to lawful points of discharge to the satisfaction of the City Engineer.

13.2 The minimum freeboard in all settling dams is to be maintained at not less than one metre.

## 14 OPERATING HOURS

14.1 Unless otherwise authorised in writing by an Inspector in consultation with the City Engineer no operations, including movement of vehicles, except for essential plant maintenance shall take place outside the hours of 7.00 a.m. to 6.00 p.m. Monday to Friday inclusive and 7.00 a.m. to 1.00 p.m. on Saturday. No operations are permitted on a Sunday or Public Holidays.

14.2 The operating hours specified in Condition 14.1 of this Schedule will be reviewed after 3 months at the request of the licensee. The review will take into account results of noise monitoring carried out by the EPA and any other relevant material submitted by the licensee.

14.3 The licensee shall provide the City Engineer with the name and telephone number of a contact person(s) to receive and act on complaints during and after the hours of operation specified in Condition 14.1.

## 15 DUST

15.1 Dust resulting from all operations including extraction, loading, transport, processing and stockpiling shall be controlled to the satisfaction of an Inspector. An automatic sprinkler system shall be installed to all stockpiles and areas of exposed sand to suppress nuisance from windblown dust and sand. Water used for spraying shall be either from a mains supply or of a quality to the satisfaction of the Inspector in consultation with the Environment Protection Authority. Where, in the opinion of an Inspector, dust suppression measures pursuant to this Condition are inadequate, he may require that stockpiles of unprocessed sand be stored in bins, silos or sheds and such storage shall be to the satisfaction of an Inspector and the City Engineer. Processed material shall continue to be stored in bins.

15.2 A water tender of minimum capacity 5000 litres shall be maintained on site in operable condition for the purposes of suppressing dust on roads and watering of tree plantations.

15.3 Notwithstanding Condition 9.1, stockpiles shall be limited to a height of 5 m and shall not be located within 50 metres of any licence boundary, unless otherwise agreed to or determined by the City Engineer and Inspector.

## 16 NOISE

16.1 All engine-powered equipment shall be fitted with mufflers and spark arrestors which shall be so maintained as to be fully effective at all times.

16.2 Noise levels emanating from operations on the licensed area shall not exceed the levels permitted under State Environment Protection Policy N-1.

16.3 The licensee shall engage an independent consultant approved by the EPA to monitor noise levels and shall provide a copy of all reports to the City Engineer. Reports shall be provided on a monthly basis for a period of six months and thereafter at three-monthly intervals.

## 17 EXTRACTION

Terminal working faces shall be excavated to a batter with a gradient of 1 vertical to 2 horizontal.

## 18 RECLAMATION

18.1 during the term of the licence, worked-out areas of the quarry are to be progressively backfilled with overburden and/or clean, inert, non-putrescible, non-toxic fill. On completion of backfilling operations the backfilled areas are to be covered with a minimum of 0.5 metres of overburden and 100 mm of soil and sown with grasses. Planting schedules, species distribution and maintenance schedules shall be in accordance

with any provisions of an approval pursuant to Condition 18.7 or otherwise with directions issued by an Inspector in consultation with the City Engineer.

18.2 (i) the licensee shall within 2 months provide independent advice from an appropriate consultant(s) on the rehabilitation of the dam abutting the eastern boundary. This advice shall be directed towards the objectives of—

- (a) draining the dam abutting the eastern boundary in the shortest practicable time;
- (b) re-establishing a buffer with a width of 20 m on the eastern boundary north of Talbot Park within a time frame of one year;
- (c) backfilling of the dam within a time frame of 3 years.

(ii) The advice shall include design criteria for any associated work including construction of a replacement dam, time table for work, statutory approvals required, measures to be taken to reduce environmental impact of the work and any other relevant information.

(iii) This advice may be approved by the Minister or modified as a result of consultation with the licensee and on approval shall become together with the timetable of work, part of the Approved Working Plan.

(iv) Notwithstanding Condition 18.2 (iii) the Minister may, after consideration of advice provided under Condition 18.2 (i), direct the licensee to drain and backfill the dam abutting the eastern boundary and re-establish the buffer zone referred to in Condition 18.2 (i) (b) in a manner and timespan as the Minister sees fit.

18.3 The Minister in consultation with the City Engineer may vary the time limits approved under Condition 18.2 (iii) or (iv) of this Schedule if he or she is satisfied that the operations represent an occupational health and safety hazard.

18.4 A landscaped bund wall shall be constructed on the re-established buffers referred to in Condition 18.2 (i) of this Schedule within 3 months of completion of re-establishment of the buffer.

18.5 All water and sludge retention areas are to be drained and sludge dams are to be capped with fill material or the sludge dried and utilised as fill material. All dam walls above natural ground level are to be levelled and the areas reclaimed in accordance with Condition 18.1 of this Schedule.

18.6 On completion of operations all equipment not required for final reclamation works and all plant and rubbish shall be removed from the site and the area left in a neat and tidy condition to the satisfaction of an Inspector.

18.7 Within three months, the licensee shall lodge with the Director-General for Industry and Economic Planning a satisfactory proposal for the final reclamation of the licensed area. These proposals when approved by the Minister shall be deemed to have become part of the Approved Working Plan and shall be implemented. The Proposal shall include timetables and programs of any proposed landfill operations and for removal of all plant, buildings and equipment not required for any approved after-use of the land and all stockpiles and other material from the site so that it is left in a neat and tidy condition.

18.8 The Proposal shall include an outline of the proposed after-use of the site.

#### 19 SECURITY

19.1 A security of \$120 000 shall be lodged with the Director-General for Industry and Economic Planning. The security shall be forfeited in whole or in part if the reclamation requirements of the licence are not effected to the satisfaction of an Inspector.

19.2 The Minister reserves the right to review the amount of security from time to time or when approving any modification to the Approved Working Plans and Proposals.

**NOTICE OF AMENDMENT TO A  
PLANNING SCHEME**

The City of Bendigo has prepared Amendment No. L24 to the Bendigo Planning Scheme.

The amendment specifically applies to land on and near the northern corner of Holmes and Holdsworth Roads, being Crown Allotments 5, 5B, 5C, 5D and 5M, Section K, City of Bendigo, Parish of Sandhurst, County of Bendigo. It also generally applies to the use and development of video libraries and stores in certain zones in the City of Bendigo.

The amendment proposes to rezone Crown Allotments 5, 5B, 5C and 5D, Section K, Parish of Sandhurst from Residential zone to Local Business zone. It also proposes to rezone Crown Allotment 5M, Section K, Parish of Sandhurst from Residential zone to Industrial zone.

The amendment includes the insertion of a definition of "Video Library and Store" in the planning scheme. This use would be subject to a permit in the Local Business and Restricted Light Industrial zones and would not require a permit in the Central Business and Service Business zones.

This amendment will allow a proposal to construct a "Video Library and Store" on Crown Allotments 5 and 5B, Section K, Parish of Sandhurst to be considered by the Responsible Authority. Petrol filling stations on this site will be prohibited by the amendment and the proposal would be developed generally in accordance with a plan prepared by Michael H. Hughes, reference No. 9041/SK2 dated 22 October 1990.

The amendment can be inspected at Ministry for Planning and Urban Growth, Ground Floor, The Olderfleet Buildings, 477 Collins Street, Melbourne; Municipal Offices, Lyttleton Terrace, Bendigo; Loddon-Campaspe Regional Planning Authority, 261 Hargreaves Street, Bendigo.

Submissions about the amendment must be sent to City of Bendigo, P.O. Box 733, Bendigo, 3550 by 14 January 1991.
