REMOVALS OF DECEASED PERSONS TO MORTUARIES - COUNTRY AREAS

1. *Orders:*

The services are to be performed upon an order issued by a member of the Victoria Police Force (hereinafter called "the Police") or by a person duly authorised by the State Coroner.

2. *Supply of Service:*

2.1 All vehicles and equipment used by the Contractor in performing this contract shall:

2.1.1 Be suitable and ample to provide a prompt and efficient service.

2.1.2 Be clean and tidy and regularly maintained.

2.1.3 Be fit for the purpose of carrying bodies of deceased persons ("bodies") to mortuaries.

2.1.4 Be of such design and construction that bodies carried therein shall not be exposed to view.

2.2 Upon a request and the issue of an order from the Police the Contractor shall punctually remove a body from the region or area contracted for at any hour and on any day. Should the Contractor fail to attend to the removal of the body punctually after being requested by the Police the removal may be carried out by another person and the Contractor shall be liable to the State for any additional expense incurred by the State over and above that sum which would have been paid to the Contractor carrying out the removal.

2.3 When it becomes necessary to remove a body to a Mortuary and the next of kin present or the legal personal representative of the deceased person makes a request in person to the Police to be allowed to employ the family undertaker to conduct such removal the Police may, at their discretion, accede to such request provided such removal is effected at no cost to the State and is carried out under the supervision of the Police.

2.4 The Contractor shall provide two persons for the purpose of removing a body to a vehicle and from a vehicle to the Mortuary.

2.5 The Contractor shall take all reasonable precautions to prevent offensiveness from decomposition of a body but in no case shall any disinfectant be used without the prior written authority of the medical officer performing the postmortem examination.

2.8 The Contractor and all persons employed by the Contractor shall at all times observe and conform to the highest standards of professional conduct when performing this contract.

3. *Price:*

Subject to the provisions of Clause 4, the Contractor shall be paid the Contract Price for the removal of a body and the Contract Price shall, unless otherwise provided, include all charges incurred in connection with the removal.

4. *Price Variations:*

4.1 Where the Contractor has included a provision for a variation in the price, the State Tender Board of Victoria (hereinafter called "the Board") may on application by the Contractor approve a variation in the price.

4.2 Where an application for a variation in the price is approved by the Board the variation shall take effect 14 days from the date of application for approval, provided that where documents in support of an application for a price variation are not submitted with the application the effective date of the variation shall be 14 days from the date of the submission of satisfactory supporting documents.

4.3 Notwithstanding the foregoing the Board may in its absolute discretion grant or refuse a claim for a price variation in whole or in part.

4.4 The Board may if it sees fit terminate the Contract upon an application for a price variation.

5. Payment:

5.1 The Contractor shall forward invoices to the Clerk of the local Magistrates Court for verification and transmission for payment.

5.2 Where specific creditor's terms are not positively stated in writing and accepted by the Board the following terms of payment shall apply:

"Settlement of accounts payable is schedule to occur no later than 30 days after the end of the month in which a correctly rendered invoice is received provided that the goods have been received or services rendered prior to the receipt of the invoice.

Where goods are received or services rendered after a correctly rendered invoice is received, payment will be schedule to occur no later than 30 days after the end of the month in which the goods were received or the services were rendered."

6. Termination:

6.1 If either party fails to comply with the provisions of this Contract then the other party may terminate this Contract forthwith by notice in writing to the defaulting party.

6.2 Under no circumstances shall the Contractor be permitted to abandon the Contract. In the event of the Contractor failing to carry out the Contract the Contractor shall be held liable for any loss which the State may sustain in consequence of such failure.

7. Bankruptcy etc. of Contractor:

Where a Contractor:

7.1 assigns or sublets the Contract, or any part thereof, or assigns or mortgages, charges, or encumbers, attempts to assign, mortgage, charge, or encumber all or any of the moneys payable or to become payable under the Contract, or any other benefit whatsoever arising or which may arise under the Contract, without the consent in writing of the Board being first obtained; or

7.2 being an individual becomes bankrupt; or

7.3 being a corporation enters into voluntary or compulsory liquidation; or

7.4 makes an assignment of his estate for the benefit of his creditors, or makes an arrangement or composition with his creditors;

then and in every such case the Board shall be entitled by notice in writing to terminate the Contract forthwith but without prejudice to any right of action or remedy which shall have accrued or which shall accrue thereafter in favour of the State.
