*Dangerous Goods Act 1985*  
MINISTERIAL GUIDELINES—  
PROSECUTIONS

Under section 40 of the *Dangerous Goods Act 1985* I give notice that I have issued the following guidelines with respect to prosecutions under the Act:

Ministerial Guidelines with respect to the Prosecution of Offences under the *Dangerous Goods Act 1985*

This document constitutes guidelines with respect to the prosecution of offences under the *Dangerous Goods Act 1985* as required to be issued by the Minister pursuant to section 40 (2) of the Act. The guidelines are issued to inspectors and persons to whom powers under section 40 (1) have been delegated pursuant to section 14 (3) of the Act.

The *Dangerous Goods Act 1985* allocates responsibility to specified persons to ensure the protection of health and safety of workers and the general public and the safety of property in relation to dangerous goods in Victoria.

Section 45 (1) of the Act provides that:

"a person who contravenes any provision of this Act is guilty of an offence against this Act."

"This Act" is defined in section 3 as including:

- (a) the regulations; and
- (b) the register under section 54; and
- (c) Orders under section 55".

Section 40 (1) provides for prosecution proceedings for an offence against the Act to be brought by the Minister or an inspector or a member of the police force.

The decision to prosecute for an offence against the Act will be made in light of all relevant facts and information associated with the particular circumstance.

Written Directions will be issued by Dangerous Goods inspectors pursuant to Part II of the *Dangerous Goods Act 1985* as the primary instrument to ensure compliance with the Dangerous Goods legislation. Any Dangerous Goods inspector may require certain persons to comply with any direction which is believed by the inspector to be necessary to ensure safety of persons and property.

*Victoria Government Gazette*

Provisional Directions will be issued by delegates under section 14 (3) pursuant to Part II of the Dangerous Goods Act for contravention of Dangerous Goods legislation.

The objective of these Directions is to enhance the enforcement of the Dangerous Goods legislation by way of notifying persons specified by the *Dangerous Goods Act 1985* of contravention of the legislation and requirement for improvement.

Infringement Notices will be issued by persons specified by Dangerous Goods regulations made pursuant to Part VII of the Act for offences specified by the Regulations.

The objective of the Notices is to penalise persons specified in the Act as an alternative to prosecution for contravention of the legislation.

These Directions and Notices are the primary instruments to be used to enhance the enforcement of the Dangerous Goods legislation. The overall objective of these instruments is to provide an improved level of safety to workers and the community. They will also be used to forewarn of possible prosecution.

Nevertheless, the Department reserves the right to initiate prosecution proceedings for any alleged offences against the Act.

Prosecution under the *Dangerous Goods Act 1985* will generally be instituted in the following circumstances:

- (i) Where offences in relation to obstruction, assault or intimidation of an inspector or delegate are alleged;
- (ii) Where contravention of or failure to comply with any lawful Direction, Notice, demand or order of an inspector or delegate is alleged;
- (iii) Where an alleged contravention of the Act has resulted in, or had the potential to result in, a fatality or serious injury to any person;
- (iv) Where a contravention of the Act contributes to an incident involving dangerous goods which causes, or has the potential to cause, major damage to property;
- (v) Where any person who has been previously convicted of an offence against the Act is alleged to have again contravened the Act, either for the same offence or for another;
- (vi) Where a person who does not hold a licence or permit carries out any action in respect of which a licence or permit is required by the Regulations to be held by that person;

Victoria Government Gazette

(vii) Where an accident caused by alleged contravention of conditions, limitations and restrictions as are prescribed by storage site approvals causes, or has the potential to cause, fatality, serious injury to any person, or major damage to property.

ALL PLANNING SCHEMES IN VICTORIA  
(EXCEPT FLINDERS, HEALESVILLE,  
LILLYDALE, SHERBROOKE AND UPPER  
YARRA PLANNING SCHEMES)

Notice of Amendment  
Amendment S10

The Minister for Planning and Housing has prepared this amendment to the regional or local section of each planning scheme.

The amendment clarifies the provisions relating to subdivisions which change the boundary between two lots. It provides that a permit is not required for a subdivision which realigns the boundary between two lots if the zone does not provide for a minimum lot size and dimensions and either lot is reduced by less than 30 square metres or the new boundary agrees with an existing old fence line which had been accepted as the boundary.

The original intention of the permit exemption was to provide for minor building encroachments and other small boundary adjustments. The amendment will ensure that the schemes have provisions consistent with that intention.

The amendment can be inspected at the offices of the Department of Planning and Housing, Ground Floor, 477 Collins Street, Melbourne; the Upper Yarra Valley and Dandenong Ranges Authority, 5 John Street, Lilydale; the Geelong Regional Commission, corner of Fenwick and Little Malop Streets, Geelong; the Loddon-Campaspe Regional Planning Authority, 391 Hargreaves Street, Bendigo; the Albury-Wodonga Development Corporation, Ellis Street, Thurgoona, NSW; the Latrobe
