EXEMPTION

Application No. 16 of 1991

On 19 December 1991 the Equal Opportunity Board considered an application pursuant to section 40 (1) of the *Equal Opportunity Act 1984* ("the Act") by Ms Vanessa Mathews, Co-ordinator/Social Worker, for and on behalf of the Clara House Residential Mental Health Support Program to enable the advertising and appointment of female workers only to the Program.

Upon reading the material in support of this application, the Board is satisfied that it is appropriate to grant an exemption from sections 21 and 59 of the Act.

In granting the exemption the Board noted—

Clara House Residential Mental Health Support Program is a pilot program which has been in operation for four years. It is funded by the Health Department's Office of Psychiatric Services (OPS) and managed by Prahran City Parish Mission.

The Clara House Program provides women with psychiatric disabilities and their dependent children with a short-term, residential, non-institutional environment when they are in crisis.

A significant number of residents have experienced childhood sexual abuse.

The Board hereby grants an exemption to Clara House Residential Mental Health Support Program from the operation of sections 21 and

Upon reading the material in support of this application, the Board is satisfied that it is appropriate to grant an exemption from sections 21 and 59 of the Act.

That the responsibilities of the position are to oversee appropriate welfare and discipline policies in conjunction with the relevant decision making bodies in the school and to assist in their implementation, such responsibilities to extend to the provision of support to female students experiencing difficulty in the areas of sexual harassment, advice, physical problems, family conflict and culture differences.
