Notice of the Preparation of a Regulatory
Impact Statement

In accordance with the provisions of the *Subordinate Legislation Act 1962*, notice is given of a proposal to make Regulations known as the Guardianship and Administration Board (Fees) Regulations 1992.

The objective of the Regulations is to recover part of the costs of the administration of the *Guardianship and Administration Board Act 1986* by charging an annual fee to persons who are granted an administration order.

A Regulatory Impact Statement has been prepared which provides details of the proposed fee level, identifies who will be affected, in what manner and to what degree, and considers alternative methods of achieving the objective of the Regulations. Copies of the statement can be obtained from Geoff Cliffe, General Manager, Corporate Resources, Attorney-General's Department, 200 Queen Street, Melbourne.

Comments and submissions are invited from interested members of the public. Three weeks will be allowed for comments to be made.
