*Subordinate Legislation Act 1962*

Notice of the Preparation of a Regulatory  
Impact Statement

In accordance with the provisions of the *Subordinate Legislation Act 1962*, notice is given of a proposal to replace the Public Records Regulations 1973 with new regulations to be known as Public Records Regulations 1992. The objectives of the regulations are to provide conditions for the inspection of public records, the use of facilities provided by the Public Record Office and to prescribe fees for the making and supplying of copies of public records.

A Regulatory Impact Statement has been prepared as required by the *Subordinate Legislation (Review and Revocation) Act 1984* which provides details of the fees charged for copies of public records, identifies the main user groups who are affected, in what manner and to what degree and considers alternate methods of achieving the objectives of the Regulations. Copies of the statement are available from Darryl O'Callaghan, Archival Heritage, 3rd Floor, 176 Wellington Parade, East Melbourne 3002.

Interested members of the public are invited to forward comments and submissions within 21 days from the publication of this advertisement.

SHIRE OF MELTON  
Proposed Local Laws

Notice is hereby given that Council intends to make Local Laws which are titled—

- Local Law No. 2 Camping
- Local Law No. 3 Streets and Roads (Traffic)
- Local Law No. 4 Control of Vehicles
- Local Law No. 5 Impounding of Stray Animals
- Local Law No. 6 Street Traders and Collectors
- Local Law No. 7 Open Air Burning and Incinerators

The proposed Camping Local Law provides for:

Regulation of camping on roads and land.

It would require a permit to be held before a tent, caravan or annex was occupied on any land. This would cover the common situation where owner/occupiers wish to live on their land for the duration of their homes construction. This Local Law would revoke our existing By-law 70 which deals with caravans and camping.

The proposed Streets and Roads (Traffic) Local Law provides for:

incorporation of some provisions of the *Local Government Act 1958* which are to be repealed including traffic diversions, road closures etc.

The proposed Control of Vehicles Local Law provides for:

regulation and control of the abandonment of vehicles within the municipal district;  
regulation and control of the unlawful obstruction, parking and standing of vehicles within the municipal district;  
the amenity of roads within the municipal district.

Victoria Government Gazette

It would create an offence for a person to leave an unregistered vehicle or abandon a vehicle in a street or on Council land. This Local Law will replace soon to be repealed sections of the *Local Government Act 1958*.

The proposed Impounding of Stray Animals Local Law provides for:

prohibiting owners of animals from permitting those animals to stray; and  
to provide for the impounding of stray animals.

It will make it an offence to allow animals such as horses, cows etc. to stray onto roads or land owned or occupied by another person. It would give Council's authorised officers or other persons the power to remove an animal from the road if it has strayed there and take it to our pound.

This will repeal Clause 306 of our existing Local Laws and will cover some of the areas currently legislated through the *Local Government Act 1958* and the *Pounds Act 1958*.

The proposed Street Traders and Collectors Local Law provides for:

regulation of use of streets and other places by persons dealing in goods and services; and  
regulation of practice of soliciting and collecting gifts of money and subscriptions.

It would require a permit to be held by a person prior to them dealing in goods on streets, vacant land, land not normally occupied by that person or on public places. Exceptions would be where a planning permit has been issued for a particular activity.

It would also require a street collector or service provider to obtain a permit. This would mean permits would be required for the sale of raffle tickets, provision of services for rewards (door-to-door selling) and collection of money for various purposes or causes e.g. charities.

This proposed Local Law will repeal Clauses 501 and 502 of our existing Local Laws, which deal with hawkers and peddlers and street appeals.

Open Air Burning and Incinerators (Internal) Local Law:

This is a re-draft of the existing Local Law which has operated since 1990 which provided for:

fire prevention and protection;  
the prohibition or regulation of the lighting of fires in the open air or in an incinerator;

minimising airborne particle pollution;  
environmental control protection and  
authorisation.

Copies of the proposed Local Laws are  
available on enquiry at the Civic Centre during  
office hours. Any person affected by this  
proposal may make a written submission to  
Council under section 223 of the *Local  
Government Act* 1989. Such submission should

submission by appearing before the Council at a
