REGULATIONS 1992

The Minister for Ethnic, Municipal and Community Affairs proposes to make the above Regulations under section 243 of the *Local Government Act 1989*.

The Regulations will replace the 1985 Municipal Accounting Regulations.

The purpose of these Regulations is to amend the principal Local Government Regulations 1990—

- to promote financial reporting which fully reflects the operations and financial status of a council and which is in accordance with Australian Accounting Standards;
- to ensure that financial information is available to users for making and evaluating decisions on the allocation of resources and to assist users in assessing the accountability of local government;
- to establish and maintain adequate budgeting, accounting and internal control systems and procedures;
- to promote suitable asset management and valuation systems; and
- to provide for the information which must be contained in the report of a council's operations.

A Regulatory Impact Statement has been prepared under the *Subordinate Legislation Act 1962*. This statement sets out the benefits and costs associated with the introduction of the proposed Regulations. The statement indicates that the proposed Regulations will provide all users of local government financial reports with more comprehensive, yet stream-lined

information about how resources, managed on behalf of the community, have been utilised over time. It also illustrates that any costs to be incurred through implementation will be outweighed by the significant benefits to be achieved.

Copies of the proposed Regulations and Regulatory Impact Statement may be obtained from Ms Tara Baker, Tel. (03) 602 9540.

Submissions on the proposed Regulations are now invited and should be forwarded to Mr Mike Ulbrick, Manager, Financial Management Branch, Office of Local Government, Level 7, 500 Bourke Street, Melbourne 3000.

Submissions should be received at this address by close of business on Friday, 28 August 1992.
