Adoption Act 1984

COMMUNITY SERVICES VICTORIA
Proposed Adoption (Inter-Country Fees)
Regulations 1992

Notice of Regulatory Impact Statement

As required by the *Subordinate Legislation Act 1962*, a Regulatory Impact Statement has been prepared by the Department of Community Services Victoria (CSV). The statement advises of a proposed increase in fees for inter-country adoption applications. The current fee, which has not been increased since 1987, is \$1,272. The proposed maximum fee is \$3,305 with an average fee of about \$2,600.

Why Change the Fee?

The objective of this proposed Regulation is to recover a greater proportion of the cost of the Inter-Country Adoption Service by prescribing new fees to be charged for the administration, assessment of applicants, supervision of placements and other services in relation to the adoption and placement of non-citizen children.

Why do we need a Regulation?

The *Adoption Act 1984* allows CSV to charge a fee for processing applications for inter-

2482 G 33 26 August 1992

country adoption. Inter-country adoption is the adoption of children from overseas countries by families, couples or individuals in Victoria. The amount of the fee must be laid down in Regulation.

What does the Regulatory Impact Statement Recommend?

The Statement analyses five ways of achieving the objective and outlines the respective benefits and costs. The preferred option allows for a significant increase in cost recovery. Where fees are paid by an applicant for eventual payment to a contractor, total cost recovery will be achieved for this service. The use of contractors, which is an integral component of the preferred option, permits the use of a revised model of service and significant budget savings while maintaining existing standards.

Do you want a copy of the Regulatory Impact Statement?

Ring Marion Lock on (03) 412 7746.

Do you want to comment on the Regulatory Impact Statement?

Subordinate Legislation Act 1962
PUBLIC AUTHORITIES (EQUAL EMPLOYMENT OPPORTUNITY) (DESIGNATED GROUP) REGULATIONS 1992

Under the provisions of the *Subordinate Legislation Act 1962*, notice is given of the above proposed Regulations under the *Public Authorities (Equal Employment Opportunity) Act 1990* (the Act).

The objective of the Regulations is to provide for equal employment opportunities for Aborigines and Torres Strait Islanders in Victorian Public Authorities under the Act. The Regulations will prescribe Aborigines (which includes Torres Strait Islanders) as a designated group for the purposes of the Act. This will cause various provisions of the Act to have effect such as Public Authorities undertaking equal employment opportunity programs for Aborigines and the collection and reporting of statistics on the employment characteristics of Aborigines.

A Regulatory Impact Statement has been prepared as required by the *Subordinate Legislation Act 1962* and concludes there will be no financial or social costs to the general community as a result of the Regulations. It also concludes that the Regulations are the most efficient and cost effective means of achieving the objectives.

Copies of the Regulatory Impact Statement can be obtained from the Legislation Officer, Department of Labour, Level 23, 80 Collins Street, Melbourne 3000. Telephone (03) 655 6325. Fax (03) 655 6344.
