EXEMPTION

Application No. 16 of 1992

On 29 September 1992 the Equal Opportunity Board considered an application pursuant to section 40 (1) of the *Equal Opportunity Act 1984* ("the Act") by the Caroline Lodge Women's Refuge to advertise for and appoint a female worker.

Upon reading the material in support of this application, the Board is satisfied that it is appropriate to grant an exemption from sections 21 and 59 of the Act.

In granting this exemption the Board noted—

the Refuge provides a safe and secure crisis/short term accommodation to women and women with children escaping from intolerable situations of domestic violence;

the Refuge provides emotional and other support to women and children in a co-operative, non-institutional living situation which validates their experiences and empowers them to make their own decisions and gain awareness and control of their lives;

the presence of a man in this situation may provide added adverse stress and the needs of the service users would not then be addressed.

The Board hereby grants an exemption to the Caroline Lodge Women's Refuge from the operation of sections 21 and 59 of the *Equal Opportunity Act 1984*, this exemption to remain in force until 29 September 1995.
